LONDON

LONG PLAYING RECORDS

London ffss is the final triumph in the search

for realistic sound reproduction. For over twelve years ffrr . . . full frequency range

recording . . . has been the world's leader in

high fidelity. Now, ffss . . . full frequency stereophonic sound . . .is the world's leader in

stereo. Music sounds better on London because

it is recorded better. London ffss uses special

microphones . . . the most sensitive ever engi-

neered. They capture all the sounds that orig-

inate from the concert stage. When recreated

in your home, these sounds seem to come to you

from a continuous row of speakers. With ffss.

live performance sound is yours-at home. You

hear separation of sound or the sweeping blend

of sound . . . exactly as performed on the con-
