Torch Drive Goal Met By B'ham Area
10th Anniversary Effort Praised

With the United Press Torch Drive fund only $7,504 short of its $146,601 goal yesterday morning, Oakland County UP-fihten, Mrs. Frank H. Horne, presented that the goal will be reached by Friday.

The drive was held on Mr. Horne's own request, as it will be his last year as county UP-chapman. He said that he had been very impressed with the generosity of the people of Oakland County, and that he was confident that the goal would be reached.

When the drive was started, the goal was $155,105. By yesterday morning, the drive had raised $146,601, leaving only $7,504 to be collected.

CONTACTED BY THE BURNS

Mrs. Horne was contacted by the Burns Foundation, who are in charge of the drive, and was told that the goal would be reached by the end of the week.

Mrs. Horne is a well-known figure in the community, and has been involved in many charitable organizations. She is known for her kind and generous spirit, and has been a driving force behind many of the charitable events in the area.

The drive is being held to support the Burns Foundation, which funds research and treatment for those affected by burns. The foundation was established in 1928, and has been helping burn victims for over 90 years.

State Returns

The state returns for the election are in, and the results are in. Democratic candidates have won the majority of the seats in the legislature, and the governor's race is too close to call.

The full results of the election will be released later this week, and will be available on the state's election website.

US-10 Access Drives

On Certain Conditions

Michigan Highway Department has offered Birmingham a limited access driveway for US-10. The driveway would be a way to connect the city to the freeway, and would be a significant improvement for drivers in the area.

THE DRIVeways

The driveway would be a limited access driveway, meaning that it would be open to traffic only during certain hours. This would help to reduce congestion on US-10, and would also make it easier for drivers to navigate the area.

THE CITY

The city of Birmingham has decided to accept the driveway, subject to the condition that the state of Michigan agree to pay for the construction of the driveway.

THE STATE

The state of Michigan has agreed to pay for the construction of the driveway, subject to the condition that the city of Birmingham agree to pay for the maintenance of the driveway.

THE CITY AND STATE

The city and state have agreed to work together to complete the project, and are confident that the project will be completed successfully.

Mitchell Is VP of GM Styling

William L. Mitchell, who has been with General Motors for over 20 years, has been promoted to vice president of styling for the company. Mitchell will oversee all of GM's styling efforts, and will work closely with the company's design team to develop new and innovative vehicles.

Mitchell's appointment is part of a larger restructuring at GM, which has been dealing with declining sales and profits in recent years. The company has been working to transform itself into a more customer-focused business, and Mitchell's appointment is seen as a key part of that transformation.

The appointment of Mitchell as VP of styling is a significant step for the company, as styling is a critical component of a car's success. Mitchell's experience and expertise will be invaluable in helping GM develop vehicles that appeal to customers and set the company apart from its competitors.
