Has everyone heard thoroughly confused as to who will be the new social arbiter for the Birmingham-Bloomfield area?

The confusion began when two Detroit daily newspapers this week listed Mrs. Ernest F. Kern as the arbiter, while the other daily reported that social coordinator to be Mrs. Milton K. Parker.

Mrs. Kern said that she had been in direct with the women involved to get the accurate story.

It turns out that while both were confused themselves over how the situation was originally reported by the Detroit papers, they were not confused about their respective roles in the social life of the community. They both agreed they are areas which will permit them to perform spectacularly yet recreationally and cooperatively.

Mrs. Kern has expressed a great interest in church social activities, tea parties, dinners, weddings, selling bales of bales of bales, and other social events of interest.

Mrs. Kern said she will work closely with Mrs. F. G. Brown, Grosse Pointe social arbiter, to avoid conflicting dates between the two areas where guest lists are likely to overlap.

**MRS. PARKER** who for the past six years has been "social advisor" for many prominent families in the Hills-Birmingham area, plans to continue the role she thoroughly enjoys.

"Her assistance with weddings started as a hobby for her friends. She played the role with such dignity and charm that requests came from friends of friends of friends...and her hobby has grown into a profession in the community, soft-spoken, understanding and extremely gracious, Mrs. Parker’s first aim is to get the "feel" of the family...what they want.

"For these extra pair of hands that know how to do it...remarried Mrs. Parker...who has been a social arbiter for weddings, which she does with dignity and beauty.

**A PRESIDENT** of Bloomfield Hills since 1955, Mrs. Kern has felt the community need for the kind of services as she will now offer, even before she included the Grosse Pointe membership in her community.

Bloomfield Hills is a lovely home for her many friends in the Grosse Pointe set and she believes the Hills-Birmingham area needs a social advisor for those beyond high school age.

**MRS. KERN** the former Janet Brugaw, came to the Hills in 1951 with her parents when she was attending at Jasper. She attended Wayne and was graduated from Radford. She is the daughter of Mr. and Mrs. Richard B. Brugaw, who live in Bloomfield Hills, and the late Mr. Brugaw.

Mrs. Kern is a member of the Village Woman’s Club, Bloomfield Hills Country Club, Junior League, and Christ Church Churchboard. Mrs. Kern is known to many of her friends as "The Cool One," as well as many others.
