Holy Name Picks New Nickname

By CAROL ANN FERGUS

Holy Name is ready to "swim" in a new nickname. "Hoboes," the nickname chosen by students several years ago, has been changed to "Hobos." The new nickname was adopted by students October 24.

The change is the result of a recent survey by students at Holy Name. The survey showed that "Hoboes" is not popular among the student body.

John Grinich, who led the survey, said that the students believe the nickname is not representative of the school's image.

"We are not hoboes," he said. "We are a school that is proud of its tradition and heritage." The new nickname, "Hobos," was chosen to reflect the school's identity better.

Book Week is Every Week

For Pierce School Moms

Kenneth Marrison and Becky Sworld, Pierce school third graders, chat at a reception of the new book club.

"Book Week is Every Week, Pierce School." It's a slogan that's been adopted by the school's mothers. The slogan reflects the school's commitment to reading and literature.

At Pierce school, a volunteer librarian works with the students to encourage reading. The librarian, Mrs. Jane Smith, is available to help students with their reading needs.

The school has a rich tradition of reading and literature, with a focus on providing a diverse and inclusive selection of books for the students.

State Police Start New Youth Policy

The Michigan State Police are launching a new policy that will help juvenile delinquents.

The new policy, called "Operation HOPE," is designed to provide a structured environment for juveniles who are in need of assistance.

The program includes two main components: a residential facility and a training center.

In the residential facility, juveniles will receive counseling, education, and job training. The training center will provide vocational training and job placement assistance.

The program is open to juveniles aged 12 to 17 who are in need of assistance due to delinquency.

In addition to the two main components, the program also includes a support system for the juveniles and their families.

The program is a collaborative effort between the Michigan State Police and local organizations.
