Price of the PILOT FM-530—\$89.50.

LONDON LONG PLAYING RECORDS The Greatest Achievement in Stereo Records

Now you can enjoy the startling realism of full (high-dimensional) sound from London ffs Stereo Recordings. And you can choose from more than 150 different albums now ready—classics, light classics, background music, popular tunes—and opera—all in glorious London ffs full frequency range recording... has been the world's leader in high fidelity. Now, ffs... full frequency stereophonic sound... is the world's leader in stereo. Music sounds better on London because it is recorded better. London ffs uses special microphones... the most sensitive ever engineered. They capture all the sounds that originate from the concert stage. When recreated in your home, these sounds seem to come to you from a continuous row of speakers. With ffs, live performance sound is yours—at home. You hear separation of sound or the sweeping blend of sound... exactly as performed on the concert stage.
