

BIRMINGHAM BUSINESS BRIEFS

K.L.A. Opens New Branch Store Here

Well known for many years throughout Metropolitan Detroit, K. L. A. Laboratories, Inc. has now established a branch store at 835 East Maple Street in Birmingham.

The Glen Music Company, formerly at this address, was sold recently to K. L. A. Laboratories. The new branch store will carry a full line of all nationally known components as well as complete stocks of high fidelity records, stereophonic records and recorded tapes.

Elaborate demonstration facilities for high fidelity components are now being installed—and it will be possible for the music lover to hear almost unlimited combinations of components and loudspeakers.

Stereo components will be featured at the new branch, and the stereo enthusiast will find a wide choice in stereo long play records and stereo recorded tapes. Practically all leading labels will be available. The teenager will find all the popular 45 rpm records.

Grand opening of the new branch store is now in progress. Store hours are from 10 a.m. to 9 p.m. daily, and from 9 a.m. to 5 p.m. on Saturday.

David Wakefield is manager of the new branch.

Election to Board

Wayne L. Combs, manager of the Birmingham Credit Bureau, Inc., attended the annual convention of the Associated Credit Bureaus of Michigan, Inc., held in Jackson recently, and was elected to serve on the board of directors for the coming year. He was membership chairman of the group last year.
