Lancers Nab

2nd Victory, Down Dublin

By BARB STELZER

The Lancers of Bloomfield Hills junior high scored their second victory of the season Oct. 16 when they played against Dublin; the score was 27-6.

The recently formed girls ninth grade inter-school hockey team played its first two games last week. The first game, scheduled Oct. 14 at Kingswood school, Cranbrook was won by Cranbrook, 5-1. The second game was played Oct. 17 against the 10th grade from Bloomfield Hills high school at the junior high. The game was won by the first half but during the second half the sophomores pulled ahead. The final score was 4-2.

A pep assembly for the ninth grade was held Oct. 16 in the cafeteria. After a short message from Principal McGuire, Mr. Dell, the football coach, introduced the grid men. They ran through a few of the most commonly used formations.

To close the assembly, several of the male faculty provided some hilarious entertainment. They disclosed that all their lives they had secretly wanted to become cheerleaders. Headed by Mr. McGuire, a few of the braver men teachers make fairly good cheerleaders, but it would be better for them to stick to teaching.

The Student Council representatives were to be selected last Friday from the various homerooms but as yet they have not been announced.

A contest, sponsored by Reeves Savings Station, is being held at Bloomfield JHS. The students are encouraged to write a short essay on the topic "Keep Your Freedom, Vote!" After the best paper has been selected, the winner will receive a \$25 savings bond and an interview on television or radio. There is also to be a second and third prize.
