**Art Lecture Series**  
 The Village Woman's club and Bloomfield association are co-sponsoring an art lecture series in co-operation with the Detroit Institute of Art Extension Services. Virginia Hariman, associate curator at the Detroit Institute of Art, compares a scudello of the 15th century, which will be in the exhibition of decorative arts of the Italian Renaissance, with a modern example of Italian pottery. The scudello (cup) is accented with a fleur-de-lys emblem of the city of Florence. Among those attending the lecture series at the BAA galleries are (from left) Mrs. Vinton Birch and Mrs. Wright Tisdale.
