### Washington Trip Finances Due

Payments for this year's Washington trip are to be in to trip director, Mr. Hubbard, by this Friday. The trip will be the largest ever this year, and will omit the usual boat trip because the steamers used are no longer in service.

The Torch Drive dance after the BHS football was a nice affair considering the Maples had just lost to East Detroit in the last seconds of the game. This and the rain which prevailed throughout the evening might have been but Maple students were in good at Maple students were in good attendance. Final figures as to the amount of money that the high school raised this year are not yet available.

Report cards came out last Friday with the accompanying long faces and dragging walk. The honor roll will be printed in the next issue of the Highlander. Some people are going to have to get working on trigonometry and physics. They just aren't as easy as Sophomore courses used to be.

All parents of Birmingham juniors or sophomores are invited to a meeting in the Little Theater this Friday night at 7:30 p.m. for an explanation of the American Field Service. This program enables families to have a student in their homes or to send one of their children abroad for the summer. Members of the Birmingham P.S. committee will speak as well as the Birmingham exchange students for

this year, Ercan Sonkaya and Claudia Caramanti. Term papers are the word in the senior English classes at BHS these days. Whenever one sees a little green box, it's either a term paper or somebody's lunch. Many of the students find themselves making weekly excursions to the Detroit Public Library on Saturdays to spend the day. It all adds up to good experience for college writing experiments, but it sure can be tiresome!

Birmingham's Assembly club which sponsors all extra school assemblies has been forced again this year to establish a system of paper "picker-uppers" to police BHS halls. The club sells the candy to pay for the assemblies and then is forced to act as janitors too. It wouldn't take too much extra effort to put papers in the wastebaskets instead of seeing who can make the messiest hall. Everybody enjoys the assemblies and they should be able to help the club that gives them.

Visiting Birmingham alumna Carol Sandelman at the University of Michigan last Saturday were Tom Rutledge, Steve Taylor and Marsha Keys. All enjoyed the Michigan victory.

### Musicians Needed For WJR Junior Symphonic Band

The "WJR" junior symphonic band, heard every Saturday at 8 P.M., has openings for talented musicians between the ages of 12 and 19. In announcing the openings today, Kris Dorjath, student-conductor of the band, said auditions will be held Sunday afternoons, Nov. 2, 9, 16 and 23. Student musicians interested in auditioning are invited to telephone WJR between 9 a.m.-5 p.m. and ask for Miss Charlene Oulette, who will arrange appointments. APPLICANTS selected will receive special training in symphonic band music, and other small band units will be formed from the main band unit. All types of band instruments will be auditioned, brass, woodwinds and percussion. The band is especially interested in adding to the woodwind section at this time.
