

Engineers Plan Student Seminar At B'field High

The second session of the "Engineering as a Career" seminars will be held at 7:30 p.m. Wednesday, Nov. 6 at the Bloomfield Hills high school. The purpose of the program is to give the high school student a better understanding of the engineering profession.

The guest speakers for the evening members of the Oakland County Chapter of the Michigan Society of Professional Engineers, will be Grover Serebnitz, the Birmingham City engineer, and Clair Johnson of the firm of Johnson and Anderson, Pontiac consulting engineers. They will discuss the function of civil engineers in the design and construction of bridges, streets and highways. Interested students and parents are invited to attend.

Kingswood Column

A week ago today the mothers of the sophomore girls were invited to Kingswood on the day to attend classes with their daughters. During the day there was much confusion as the girls lost their mothers or the mothers could not find the right classrooms, but they all made it through to the end of the day. This day made it possible for the mothers to meet their daughters' teachers and to visit classes.

An assembly was given Oct. 24 by Kingswood's varsity hockey team and cheerleaders. The latter taught the school some new cheers to raise school spirit for the hockey game. Unfortunately this game against Grose Pointe University School was called off because of bad weather. After the excitement of the assembly, the entire school felt the disappointment. However, Kingswood's team will still have a chance to exhibit the result of its hard work and practice this Saturday at Hockey Play Day, which will be held at G.P.U.S.

Kingswood girls were invited to the Cranbrook senior cabin to listen to a discussion on the foreign student exchange system and what these students learn. All were served hamburgers for supper before the discussion began. The exchange students of both Kingswood and Cranbrook were present along with the students from the two schools who were sent to Europe last summer by the American Field Service.

Every year the Cranbrook Music Guild presents a concert program series. The first concert of the 1958-1959 season was given in the Kingswood auditorium on Oct. 27. This was the Pro Musica Antiqua, which afforded a delightful evening for all who attended.

The board of directors at Kingswood School Cranbrook has just elected a new slate of officers for 1958-59.

Mr. William Baldwin was elected chairman; Mr. William Hartman, vice chairman; Mr. Charles Hummel, treasurer; and Mrs. Cyrus Osborn, secretary.

Announcement of the new officers came from Carl O. Barton, retiring board chairman, and Miss Marion Goddard, headmistress of Kingswood.

The remainder of the board includes Dr. Howard Y. McClusky, re-elected to serve another five year term, as well as continuing members: Mrs. William T. Gossett, Graham John Graham, Mrs. W. B. Hargreaves, Mrs. Edward Lorch, Mrs. Nell C. McMath, Mrs. Edmond L. Prince, Mrs. James A. Rice, Burt R. Shurly, and Carl O. Barton. Serving ex-officio is the Rev. Robert L. DeWitz of Christ Church Cranbrook.

The lowest recorded official temperature in North Dakota was 99 below zero in Parshall on Feb. 15, 1936.

The girls' inter-school hockey team was defeated Oct. 23 by the Bloomfield Hills High School sophomores 3-2. The girls who participated in the game were Val Hart, Marilyn Robinson, Holly Fry, Sue Allen, Judy Smith, Joan Wright, Lois Saylor, Judy Gayman, Beth Seider, Emily Estlin, Cherie Patterson, Tina Orus, Kaye Martin and Kathy Eynon.

The Lancers snatched another game from Clarkson Oct. 22. The score was Lancers 4, Clarkson 6. Tickets are now being sold for the Rochester away game Oct. 28.

The results of the Student Council vote for representatives are, for the ninth grade, Buff Russel, Tina Orus and Lancers from 7 to 10:30 p.m. They also discussed a campaign to encourage the students to keep the Cafeteria clean.

The ninth grade play "Three Fingers in the Door" is to be presented Dec. 11-12. The play is a

comedy-mystery and is being directed by Mr. Drummond. There is great enthusiasm among the actors and actresses of this play since they are working hard at every rehearsal.

Report cards were officially sent out Oct. 22. They had been given to the students the previous Wednesday to take around to their classes and have their teachers mark their grades on them.

All teachers and faculty members worked hard to prepare a good Parent-Teacher meeting which was scheduled Oct. 27.

The students who are trying out for the theme-writing contest "Keep Your Freedom—Vote" are working very hard because there is strong competition. The first prize is a \$25 savings bond; second prize is a \$10 certificate and third prize a \$5 gift certificate.
