From where I sit ... by Joe Marsh

Dad Knows His "A-Bee-C's"

Quite a "Ho do" on Main Street yesterday—lucky that Dad Blake was on the scene.

Seems a swarm of bees appeared from some place and hovered low over the sidewalk between the bank and Post Office. Everybody got sort of panicky. Then Dad appeared...

He borrowed a woman's purse-mirror and flashed a beam of sunlight into the swarm. Then he swung the beam slowly across the street into the eaves of Allen's warehouse. Right! The bees followed

the light and roosted there. From where I sit, every problem needs just one good solution. And it occurs to me that in living with our neighbors, our Founding Fathers gave us the right idea. It's called "tolerance." In practice it means that your choice of tea or buttermilk should be as honored as my preference for a glass of beer. Makes for a "hive" of good neighbors.

PTAs Begin Busy Schedule

To bring parents a realistic picture of what a high school education means today, the Birmingham high PTA has scheduled a minimum of meetings to give a maximum of information.

Opening the program will be a series of three grade-level meetings on Oct. 14, when they will hear the latest news on college or technical school admission requirements, scholarship qualifying tests and defense information orientation and senior class activities.

On Oct. 21 the junior parents will meet for a program on evaluation of skills, college or vocational school requirements, merit scholarships, American Field service and junior activities.

Orientation into high school, programs and various extra-curricular activities is planned for the sophomore parents on Oct. 28. These Tuesday programs will last from 8 to 9:30 p.m. All funds realized from PTA dues which may be paid at these meetings will be turned over to the high school library.

PTA Council

Birmingham PTA Council is a conference body composed of 19 local PTA units. Its function is to provide information and instruction to local units and to organize new PTAs, of which there were four in Birmingham last year.

Serving on the various committees this year are Donald Cramer, citizen's committee; R. F. McPartlin, program; Mrs. George Hillinger, legislative; Mrs. John Sigler, health; Mrs. Edward Quinn, health co-chairman; and Mrs. Don Odle, historian.

Still others are Mrs. Glenn Klyer, hospitality; Mrs. Carl Land, national parent teacher; Mrs. Finlay MacQueen, Jr., and Mrs. Henry Detwiler, publicity; and Mrs. Philip Detwiler, membership.

Barnum

Meeting for parents of ninth grade students is scheduled for 8 o'clock this evening by Barnum Junior high PTA.

Plans for publishing the results of the Teen-Age questionnaire in the form of a Parent Guide were discussed at the last meeting of the Barnum junior high PTA executive committee.

Robert Ford, principal, suggested that the Parent Guide be distributed to parents of all Barnum students after its first printing, subsequent issues to be given to parents of incoming seventh graders only.

Serving as committee chairmen this year are Mrs. R. A. Sobelton, Mrs. Arthur Naylor, ways and means and membership; Mrs. E. Collins, room mother; Mrs. Harry Munchinger and Mrs. Bruce Roach, hospitality; Mrs. George F. Korwin, publicity; Mrs. Howard Riemann, health; Mrs. Anna Hugh McIntyre, recreation; Merlin Holmquist, safety; Mrs. Carl Marr and Mrs. D. P. Wedel, council delegates.

Rummage Sale Set

Birmingham Rebekah lodge 445 will have a rummage sale Oct. 17 from 8 to 6 p.m., at 1560 South Woodward at Bensville. Donations of clothing, furniture or anything of sale value will be accepted and appreciated. Donors may contact Mrs. Alta Leeding of Bird street, Birmingham.

PTO's Open House

Bloomfield Hills high school PTO's first meeting will be the traditional Open House on Oct. 20 at 8 p.m. High school parents will meet their children's teachers in their classroom and hear the teachers explain their aims and methods for the present school year.

Torry

When Mrs. Raymond Kempton, mother vice president of Torry PTA, called together her 43 room-mothers to meet with the PTA officers and committee members, Principal Don Burba explained that each grade, one through six, will meet separately this year.

Meetings will be in the evenings at which time parents will have an opportunity to get acquainted with their child's teacher, examine

the school curriculum and meet other parents.

Afternoon teas will be planned for kindergarten mothers only. Dick Shryock, PTA president, announced the traditional Christmas party will not be held this year. Instead the PTA will sponsor a spring carnival, a minstrel or Saturday afternoon matinee for the children as a money-making project.

Room mothers were asked to submit accurate lists of children in each room to Walter Starr, who is making up the Torry school directory.

The third annual Halloween dance is in the planning stage with Bruce Young, father vice president, in charge.

Dunne-Wheeler Married Saturday

Mr. and Mrs. M. W. Wheeler of Mount Alto, W. Va., announce the marriage of their daughter, Wilda Jean, to Coles E. Dunne, Jr., of Bloomfield Hills. The Rev. Robert North of the Nazarene church of Pontiac officiated Saturday at the ceremony in his home.

Mrs. Harry Perry, sister of the bride, and James Dunne, brother of the groom, were the attendants. They left immediately for a trip to the Smoky mountains.

Fall Rush Party

Etta Iota chapter of Beta Sigma Phi recently had a mad-hatters fall rush party at the home of Mrs. Midge Sura. Prizes were given for the best creations.
