**Its Enduring Worth**

...will say "Yes" to your heart!

There can be no more eloquent testimony to a Cadillac's enduring value than the personal experiences of Cadillac owners. Time after time owners have expressed delight and amazement at the car's resale value. Even second and third and fourth owners find—as they pass the car along—that an unusually high percentage of their investment is returned. There's a great deal more to the Cadillac economy story—why not let your dealer acquaint you with all the facts? They'll say "yes" to the dream in your heart!
