

## From where I sit... by Joe Marsh

### An Apparent Reason

A week ago, Red Roberts' wife gave birth to a baby boy. Naturally, we went to the hospital to see the new arrival. We found Red standing (and beaming) in front of the nursery window, saying things like "look—he's got my eyes," and "his chin is shaped exactly like the Missus," and "Yessir, that's my boy."

Just then a nurse whispered, "That Johnson baby is cute, isn't he Mr. Roberts? Well bring yours out in a minute."

From where I sit, once in a while we all jump to conclusions without knowing the facts. For instance, some people are like that about my favorite beverage—beer. They're quick to say that tea or coffee go best at dinnertime... when the fact of the matter is it's simply a question of choice. Intolerance breeds on ignorance—and we ought to know before we "deliver" an opinion on anything.
