Dear Santa Claus:

Please bring me any kind of electric train to play with. Any kind you think I am big enough to have. I would also like to have a few atoms. Also if you have any more atoms I should please bring it. But if you don't have one boy would like it. Maybe some other boy would like to bring me to all the poor little children in the world.

I have been a pretty good boy and I help my mommy sometimes. We watched you on the Santa Claus movie. Hope you and your reindeer are fine.

Goodbye JEP
