sickness of some such sort at this very moment!

...over tomorrow afternoon eighth-graders put the show on the road with the first showing of the Christmas play.

The play is a mixture of modern-day happenings and the story that will never be old or worn out. There are modern children, appropriate saints, members of the Christmas story and a voice choir in the play.

Students, as well as teachers here put much time and work into the play. We hope it will be as good as it looks in rehearsals and will long be remembered in school history.

LAST WEEK the girls' basketball team at Holy Name played Gesu and lost by a score of 17-16. Of course the whole school was mourning over the one-point loss. Gretchen Keefe scored three baskets; Abby Forster, three; Patty Collins, one and Patty Schmitt, one. The team is very good this year and we're hoping for lots of big wins.

Today the team play's Presentation; another scrimmage at Presentation. We'd like to have some wins among our scrimmage games too.

LAST TUESDAY eighth-graders at Holy Name attended a concert at Ford auditorium. Both class attended, plus teachers and drivers.

We heard a thoroughly "Christmas" program and enjoyed it almost as much as we enjoyed losing all that school time to sports.

Each year students have attended one of these free student concerts. This was the first of the many outings for eighth-graders during the year.

THE BOYS' basketball team is shaping up very well. Martin Foley, coach, is doing the fine job he always does in getting the boys in shape. Practices are every Monday, Wednesday and Friday while the girls dominate the gym on Tuesday and Thursday.

The first game is looming in the horizon and for all we care it can stay there a bit longer. This game can either make or break us and of course we hope it makes us.
