New American Savings Branch
American Savings' New Bloomfield branch, in the Bloomfield Plaza shopping center, displays the bright interior designed by the W. B. Ford Company. The ultra-modern decor, with touches of red and turquoise, highlight the main white and black theme. The bright interior includes a customers' lounge in addition to conventional business appointments. An abundance of free parking is provided in the shopping center. Weston O. Richards, formerly manager of American Savings' Fort street branch, has been appointed manager of the new office.

Bloomfield Hills Men Named GM Comptrollers

The appointments of three comptrollers, two from Bloomfield Hills, at Chevrolet motor division facilities in the Detroit area were announced today by Fred R. Fraser, divisional comptroller.

Charles A. Humphrey, formerly assistant resident comptroller at Chevrolet's engine, foundry and forgo plants at Tonawanda, near Buffalo, was promoted to resident comptroller at the Chevrolet engineering center at Warren.

FRANK F. RYAN, 4807 Tully, who had been resident comptroller at the engineering center since 1956, was appointed to the similar position at Chevrolet's spring and bumper plant at Livonia.

Ray J. Byrne, 5611 Shadow Lane, who since 1956 had been resident comptroller at the Livonia plant and at Chevrolet's Willow Run assembly plant, henceforth will devote all his time to the position at the expanded Willow Run plant.

Byrne joined Chevrolet as a clerk at the division's Truck Body and Stamping plant at Indianapolis in 1933. Following several promotions there he was appointed an accountant at Chevrolet Central Office in Detroit in 1942. He was named general supervisor of Chevrolet's engine, foundry and forgo plants at Tonawanda, near Buffalo, was promoted to resident comptroller at the Chevrolet engineering center at Warren.

BYRNE JOINED Chevrolet as a clerk at the division's St. Louis assembly plant in 1931. After several promotions he became a traveling auditor in 1937. He was appointed a superintendent at Chevrolet's Willow Run assembly plant at Kansas City, Mo., in 1941.

Byrne became assistant resident comptroller at Chevrolet's Detroit and axle plants in 1944 and since has served as resident comptroller at Chevrolet's assembly plant at Oakland, Calif.; the Chevrolet engineering center at Warren, and the Chevrolet spring and bumper plant at Livonia and the assembly plant at Willow Run.

B'hram Restaurants In Hines' New Book

Carrie Lee's, Greenfield's restaurant, MacKenzie's restaurant in Birmingham, have received national recognition in the silver anniversary edition of the Duncan Hines travel book "Adventures in Good Eating" just published, according to an announcement from Roy H. Park, editor-in-chief of the Duncan Hines Institute here, publisher of the travelbooks.

New Assistant Chief Engineer At Ford Division

Four major appointments in Ford division's product engineering office today were announced by H. A. Matthias, the division's chief engineer.

H. F. Copp has been appointed assistant chief engineer—truck product engineering; D. N. Frey, 589 Fairfax, Birmingham, assistant chief engineer—car product engineering; J. L. Hooven, assistant chief engineer—light vehicle engineering; and H. L. Misch, executive engineer—current car product engineering.

Frey joined Ford in 1951 as manager of the metallurgical department in the University of Michigan, and subsequently advanced to director of the engineering research office.

He holds a doctor of philosophy degree in metallurgical engineering from the University of Michigan. Prior to his present assignment, he served as executive engineer, car product engineering.
