

Seaholm Trims Hazel Park '5', 58-43

Barons Trounce N'ville

Don't count Bloomfield Hills out of the Wayne-Oakland race yet.

After losing to Holly in the opening league game, the Barons have bounced back for two straight league wins—the latest one coming over Northville, 51-26, Friday night.

THE ONLY undefeated team left in the league is the surprising Clarenceville and the Barons will get a crack at them on January 15 following Christmas vacation.

There will be little chance to get stale, however, as the Barons will travel to Fenton December 28 for the annual Christmas tournament.

After the tourney, they will return to action on January 8 by visiting the ever-dangerous Brighton cagers.

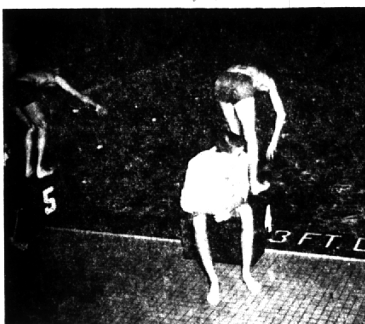

IF THEY PLAY as well against Brighton as they did against Northville, Coach Hal Trout will have no worries.

Tom Mason led the Barons with 31 points, but teammates Lou Phillips and Art Traganza were close behind. Phillips had 12 and Traganza 11 in the win. Roger Schuchman led the scoring honors for Northville with 15.

Bloomfield Hills held a commanding 28-11 halftime edge.

100-YARD OFFENSE

University of Detroit's football team was first in the nation in rushing offense and third in the nation in total offense in 1948 with an average of 124 yards per game rushing and an average of 400.2 yards per game rushing and passing.

Same Start—Different Finish

Although the Seaholm and Utica swimmers started at the same time (above) the finishes were a different story (below) as the Maples completely dominated the meet. The two swimmers on the left are from Birmingham with the Utica swimmer on the

right. Two other Utica swimmers were out of camera range. The swimmers to finish first, however, were from Birmingham with the Utica tankers almost a full length behind.

Maple Tankers Trim Hazel Park

Seaholm's swimming team, which will enter the Pioneer relay next Tuesday at Ann Arbor, downed Hazel Park with little trouble, 62-54, by capturing eight firsts, five seconds and setting two new pool records.

Denny Collins knocked one and 'four-cents' seconds off the 200 freestyle and Bill Driver cut a full four seconds off the 100 breaststroke.

JIM ELLIOTT won the 400 freestyle, Fred Anderson the 100 backstroke, Larry Severs the 100 backstroke, Bob Sutz the 100 freestyle and Dick Sawyer the 200 yard freestyle.

John Homer, Hugh Clark, Dave Jensen and Love combined to take the 100 freestyle relay.

Southfield Prepares For Holiday Tourney

Southfield should have little trouble in grabbing the third annual Northwest Suburban Invitational basketball tournament title again this year.

Tournament action will start next Saturday and will continue for four days, with each power house as River Rouge, Livonia, Bentley and Berkley included on the list.

The tourney will be held at Livonia this year and the reason that Southfield is picked to repeat as champion is obvious.

DURING THE past two tournaments the Blue Jays have won six seasons and have picked up the tournament play quickly and gone on to win.

This year, the Jays will be heading into the holiday tourney with their work record at 11-1.

In a waterfowl hunt, it must be admitted that only a miracle could have kept the Jays in the lead this year because the Jays are in the midst of a rebuilding program.

JUST HOW big a rebuilding program is evidenced by the 14-61 loss to Waterford—the first time that Waterford has edged the Jays in any sport in years.

Four Waterford starters and three Southfield scorers hit for double figures in the game that saw the winners take a 45-74 halftime edge.

Ed Stagers (17), Bill Bruce (14), Bob Newman and Ray Robinson (11 each) paced the winners while Gordon Dye, who had 10, and teammates Jim McKay and Tom Delaney (10) led Southfield scorers.

Midgets, Juveniles Underway

The Midget and Juvenile divisions in the Green Hawks were underway Saturday morning after a one week delay due to rain.

In the midget conference, the Eldorado edged the Banhees, 3-2, on goals by Stu Forrest in the second period, and third period tallies by Jeff McPartin and Duane Nellies.

MIKE THORNTON notched both goals for the losers.

In another close one, the Yellow Jackets led a 2-1 victory over the Green Hawks when Terry McGovern tallied late in the final period. John Fraser had scored in the first for the winners.

The losers' Jim Boyle had tied it up mid-way in the second period on a goal by Jerry Leupen.

In the juvenile division, the Huskies whipped the Jets 4-1, and the Tigers and Bulldogs tallied a 3-3 tie.

THE HUSKIES' Mike Jackson scored in the first and second periods, which would have been enough to insure a win but Fred Glassford and Rod Ruddy added extra markers. Jerry Leupen tallied for the losers.

For the Tigers, two goals, by George Forrest and one by King were for naught as the Bulldogs battled back to earn a tie.

Tony Kenny and two goals by Doug Moore earned the tie.

GRID HALL NOMINEE

Vince Banonis, coach for University of Detroit's football team since 1939, 1940 and 1941, has been nominated for membership in the National Football Foundation's Hall of Fame at New Brunswick, N. J. Banonis was an All-American in 1916 and played professional football for the Chicago Cardinals and Detroit Lions.

One of Few Occasions for Jays

Ken Schaffer, of Southfield, came down with this rebound and it was one of few bright spots for the Jays as Seaholm completely dominated the game. The Maples

won easily, 62-58. In back of Schaffer is Jon Spoelstra and his teammate, Hal Dunne (50) has already started dormitory. Next to Dunne was the Jays' Ed Schlaff.

Recreation Round-Up

HOCKEY: Hockey clinics for boys to 15 years of age will be held at the rink from 10 a.m. to 12 Noon on December 21, 22, 23, 24 and 25. These clinics will include instruction in the fundamentals of hockey. All sessions are for a 25-cent session. The league leagues for the midnet, in full, Hamilton, ping-pong and tennis and senior divisions, which are held on Saturday and Sunday mornings, will continue during the holiday schedule.

ADULT RECREATION: Adult recreation will be held at the Seaholm pool on Monday evenings December 21, 22, 23, 24 and 25. The 7-10 p.m. pool will be the main attraction. These sessions will include instruction in the fundamentals of hockey. All sessions are for a 25-cent session. The league leagues for the midnet, in full, Hamilton, ping-pong and tennis and senior divisions, which are held on Saturday and Sunday mornings, will continue during the holiday schedule.

TEEN CENTER: The Teen Center will hold its Christmas party on Friday evening from 8:00 to 12:00. The party will be held at the East Detroit Y. It will feature the dancing music, other activities, movies, bridge, and games. Membership cards may be purchased at the door.

SKATING RINK: The holiday skating will be in effect beginning December 21 and will feature an additional open skating session during the holiday season. The rink will be closed on Christmas Eve and New Year's Eve after 4 p.m.

FAMILY SWIMMING: Family swimming will be held at the Seaholm pool, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday and Sunday from 10 a.m. to 12 noon. The sessions will be held on December 21, 22, 23, 24 and 25. The sessions will be held on December 21, 22, 23, 24 and 25. The sessions will be held on December 21, 22, 23, 24 and 25.

THE BIRDS WILL GET A GOOD LOOKING-AT

Nell T. Kelley, 3681 Forest Hill, has a beautiful toucan, is continuing photo for the Detroit Audubon Society's annual Christmas bird show, Dec. 27.

Kelley is chairman of the society's bird survey committee and will supervise the 7 a.m. to 8 p.m. bird census made in cooperation with the National Audubon Society.

WOMEN'S SWIMMING: Women's swimming in the recreation pool will be held on December 21, 22, 23, 24 and 25. The sessions will be held on December 21, 22, 23, 24 and 25. The sessions will be held on December 21, 22, 23, 24 and 25.

THERAPEUTIC SWIMMING: Therapeutic swimming at Forest Hill at Barnum pool, Wednesday 7:30 to 9:30 p.m. for a fee of \$3.00 for the physically handicapped. Fee is \$5 for 10 sessions. Last six years old to participate in lessons. Register at the Recreation office. The first series of classes begin January 2 and 6.

ONE LOSING SEASON

The late Charles E. (Gus) Davis had only one losing season in 18 years as head football coach at University of Detroit, 1925-42. His teams won 112 games, lost 48, and tied seven.

SANTA CALLING: Santa Claus will be making his rounds in the North Pole Workshop on December 15. He will be working hard to fulfill all of the requests on Christmas eve.

MEN'S BASKETBALL: The men's basketball league began on December 14 at Dodge gym, 7:10 p.m. Games will not be held during the Christmas holidays.

HALF-TIME tally put the Yellow Jackets out in front, 19 to 15. Both teams are slated to take a Christmas break. Both Falcons and Yellowjackets meet Lamphere at home next, Groves on Jan. 12, and Day on Jan. 8.

DECEMBER 22, 1959

Conservation Highlights for '59

The Conservation department's year-end summary mentions new records in some activities, setbacks in others and reflects once again the squeeze of Michigan's increasing population on natural resources.

Attendance at state parks surpassed the previous high of 17,868,344 set in 1955. The year was second best on record in forest fire control. More than 2,312,000 hunters and fishermen enjoyed the state's woods and waters, but their numbers were below the previous year and revenue from license sales was down from 1958. Oil production rose to reverse a 17-year downward trend.

COMBINED state and federal funds, plus land exchange, enabled the Department to add more than 15,000 acres for public hunting this year. Among other things, they also paved the way for the acquisition of 29 public fishing areas, boosting the state's total to 749.

Deer hunters, estimated at more than 450,000 strong, killed approximately 150,000 deer, killed approximately 150,000 deer, killed approximately 150,000 deer, killed approximately 150,000 deer.

Along the Sidelines with bill arthur

There was a basketball game, of sorts, Friday afternoon and the program read something like this: Detroit Country Day vs. Groves high school at Seaholm high school gym.

Groves, which has only a sophomore class, and Detroit Country Day, which is a small Class D school, do not play the brand of basketball that is encountered at such schools as Hamtramck, Highland Park, River Rouge or Seaholm, but the boys do try.

There is nothing more said than to see two athletic teams square off with some 50 to 100 fans in attendance. Groves has an estimated 1,000 students and Detroit Country Day around 150.

It must be admitted at this point, however, that only 200 of those 1,000 Groves youngsters are in the 10th grade. The rest are situated in the seventh, eighth and ninth grades.

NOW THAT the groundwork has been laid and the fundamentals have been brought into play, it can be asked: Where were the students?

At best, some 100 turned out to watch the game. School spirit?

SOME 10 PLAYERS and six cheerleaders from Groves and an additional 15 or 14 Country Day players and the respective coaches had that intangible quality called spirit, but the spectators merely sat.

True, the game was not the best in the world, but that cannot be taken into consideration when two schools are involved in a non-tournament contest.

Perhaps the student of today is more blasé—what many of them seem to be seeing the Tigers, Lions, Pistons and Red Wines perform regularly.

OR PERHAPS THE students just don't care. It seems a shame that the student body of either school can do nothing more than send 100 representatives between them.

PUBLIC SUPPORT, rapid population growth, and the need to give Michigan its second best fire control. Last year there were 1,000 fires, more than 8,000 acres.

More than 5,000,000 fish—including 478,859 trout—were planted in the state's public waters. Approximately 45,000 lake trout were released in the upper Great Lakes. These plantings launched Michigan's efforts with the U.S. Fish and Wildlife Service, Ontario and neighboring states in a 10-year restoration program for lake trout in the Great Lakes.

AS A COROLLARY, the Federal Service announced its plans for a \$1,000,000-\$1,500,000 fish hatchery in the River Rouge area. The hatchery, approximately 2,000,000 yearling lake trout would be produced in the first year of operation in 1962. Resulting stock would be planted in the Great Lakes.

AS A COROLLARY, the Federal Service announced its plans for a \$1,000,000-\$1,500,000 fish hatchery in the River Rouge area. The hatchery, approximately 2,000,000 yearling lake trout would be produced in the first year of operation in 1962. Resulting stock would be planted in the Great Lakes.

PROPOSED OF the stamp was to eliminate indiscriminate killing of bears.

Legislative action also removed the wolf bounty, oldest of its type, in an effort to preserve the state's vanishing wolf population, now estimated at 25-50 animals.

Maples Come Back Strong For Victory

Seaholm high school's basketball team, growing stronger with each passing game, started poorly against Hazel Park Friday night, but came on strong to trounce the Vikings, 58-43.

After trailing by a point at the end of the first period, the Maples bounced back to grab a 28-19 halftime edge, then kept the pressure on to lead, 40-29, at the end of the third stanza.

MARY GALJOP paced the Maples by shooting in 17 points and grabbed 14 rebounds in a tightly called game and teammates Bill Massey and Jon Spoelstra added 13 and 10 respectively.

Hal Dunne grabbed 12 rebounds and scored six points to aid their cause.

Top scoring honors, however went to the Vikings' Bob Fulcher who poured in 20 points.

ALTHOUGH THEY couldn't have possibly learned about it beforehand, the Maples played like they already knew that East Detroit had upset defending Eastern Michigan champion Ferndale.

This put the Maples into a four-way tie for first place with Mt. Clemens, East Detroit and Port Huron—all with 1-0 records.

It will be remembered that the Maples last season improved steadily and ended up by winning their first district basketball championship.

THIS SEASON, the team seems to be settling down a little faster than last year.

After taking a whipping at the hands of Royal Oak Dundero, early season favorite of the Border Cities title, Coach Lou Parry's quintet game back to crush Southfield, 62-38, and once it settled down Friday, had little trouble in handling the Vikings.

After taking a break for the holidays, the Maples will return to action on January 8 when they visit the East Detroit gym.

Groves Loses First Game To DCD, 41-33

Groves high school suffered its first defeat Friday afternoon at the hands of Detroit Country Day, 41-33.

DCD, paced by the 20-point attack of Jerry Jaffe, made it their third straight win without a loss.

GROVES' MIKE Bearden and Frank Green were responsible for 18 of Groves' points—scoring nine each.

Mike Kramer backed Jaffe with 10 points in the game that saw Groves fall progressively further behind.

Jaffe notched 10 of his points in the third period—making the most of four straight layups.

Groves trailed DCD by one point, 10-9, at the end of the first period.
