'We're Sure Glad to Dig This!'

Was a most successful day Sept. 21 for this threesome. They scooped up the first shovel of dirt marking the start of construction on the first unit of the county's new courthouse on the county's "servi-center" site west of Pontiac. The happy shovelers are (from left) Oakland County Board of Supervisors Chairman Delos Hamlin of W. Bloomfield; Special County Building Chairman David Levinson of Birmingham and John A. McDonald of Waterford, supervisors' welfare commission chairman who thought up the servi-center idea.

THE GARDENER'S CORNER

The Answers to Your Gardening Questions by Bob

QUESTION OF THE WEEK: Would like to know the best time to prune shade trees and whether there is any use to prune one that seems to be dying.

BOB'S ANSWER: Sometimes heavy pruning will actually make a dying tree strong again. Most pruning of shade trees should be done in late winter or very early spring. Consult with us as to best methods and pruning time for your particular trees.
