A Salute to Scholanship Winners in Michigan Schools

Fire Causes 'Additional' Heat Firemen work on the roof of the E. H. field village, on Nov. 9 to control a blaze. Van Norwick home, $435\,$ Wooddale, Bloom-

> Our students in high schools and colleges constitute our country's most valuable resource, upon which American industry and the entire nation will depend for technological, social and economic advancement. Detroit Edison celebrates a Scholarship Day each year to honor the winners of its company awards. This year there are fifty-one young people receiving Detroit Edison scholarships.

DETROIT EDISON

The Cadillac motor car for 1960 is the end product of the world's most skilled craftsmen. It is, as all Cadillac motor cars have always been, built to quality standards-never to price alone. To this end Cadillac has conceived and developed a score of precision-

building techniques. A recitation of all would fill volumes. But, you will begin to learn what they mean to the Cadillac owner when you take the wheel. And you can do so this very day, for your Cadillac dealer now has his normal complement of cars. Try it very soon!
