BUSINESS BRIEFS

Joynt, Sivy Promoted At Tractor Division

Gerald C. Joynt, 21200 Smallwood, Southfield township, has been appointed general manufacturing manager of the Tractor and Implement division of Ford Motor. Joynt, who joined Ford in 1932 as manager of production engineering at Highland Park, is a native of Sunfield, Mich. and graduated from the General Motors Institute in Flint.

Prior to his appointment, he was manager of manufacturing and plant engineering at the division.

His position was filled by the appointment of William H. Sivy, 430 Paddington, Troy. Sivy, a native of Detroit, was previously manager of the main automotive engineering department at the Highland Park plant, and joined Ford Motor in 1932 and served as supervisor of process and design from 1936 to 1955.

Prashaw Replaces H. J. Peek

Appointment of Milton L. Prashaw, 1458 Sodon Lake drive, Bloomfield township, as assistant purchasing agent in charge of non-productive buying and procurement has been announced by Martin F. Ramond, purchasing agent for Pontiac Motor division.

Prashaw succeeds H. J. Peek, 1388 Fairfax, Birmingham, who served February 1 after 21 years with the division.

A notice of Massena, N. Y., Prashaw joined Pontiac in 1937 with the production follow-up section of purchasing. In 1951 he was named outside exporter for design tooling and, in 1954, was appointed divisional buyer—dies and die-cast construction.

PEEK devoted all 21 years of his division service to duties in the purchasing department. Joining the production follow-up section in 1935, he held various positions of responsibility before being named assistant purchasing agent in 1945. Born in Detroit, Peck attended the University of Detroit.

Robert O. Varnum, New Manager

W. G. Dorsey, 17455 W. 14 Mile road, Southfield township, has been appointed zone manager of the central west area of the Warthoning corporation air conditioning & refrigeration division. Formerly supervisor of the central air conditioning and refrigeration region, Dorsey assumes this new post as the result of an extensive future reorganization program now under way.

The company is owned and operated by C. G. Pooch. Other officers of the firm are Dan M. Norton, 27550 Bloomfield drive, Larcher village, vice president, and Herman Hill, 17415 Kimros, Southfield township, secretary-treasurer.

ROBERT O. VARNUM

Varnum Made Vice-President Of Bell Co.

Michigan Bell Telephone company has announced the appointment of Robert O. Varnum to the position of assistant vice president-resales, effective Feb. 1.

Varnum, general rate engineer for the telephone company since 1954, lives at 1269 Westwood drive, Birmingham.

Following his graduation from the University of Michigan in 1927, he began his telephone career as a commercial representative in Detroit and held various sales positions there until transferring to Syracuse in 1933 and Grand Rapids in 1936 as division sales manager.

G. K. MUESSEL

Appoint Muessel Manager at Bendix

Effective February 1, G. K. Muessel, 45 N. Woodward, Birmingham, became manager of the Detroit offices of the Bendix Products division, Bendix Aviation corporation.

Muessel, a graduate of Yale university, has been with Bendix over twelve years and previously was staff assistant to Frank E. Farrell, director of automotive sales at the South Bend plant.

Frank Farrell, who made the appointment, pointed out that Muessel's broad experience in the automotive section of the Bendix plant at South Bend gives him an unusually good background for the new assignment.

Muessel succeeds Frank Hourigan who is retiring after more than 9 years' service with the Bendix organization.

Controls Division Promotes 2

Two Birmingham executives were this week promoted by the Detroit Controls division of American Standard.

They are John M. Straus, of 1296 Henrietta, and A. C. Stein, of 2510 Douchester.

F. J. Kreisel, of 2064 Amberley, Bloomfield township, division president, announced that Straus had been advanced to product planning manager, air conditioning and refrigeration controls, and Stein to product planning manager, heating controls.

STEIN has been with the division since 1941. Prior to this division he was a sales engineer in the automotive air conditioning department.

Straus is a member of the American Society of refrigerating engineers, the Refrigeration service engineers society and the American ordinance association.

Stein has most recently been headquarters specialist, heating sales. He graduated from the University of Michigan in 1948 and joined the division in 1950.

Since then he has had extensive home office and territory sales experience.

Detroit Controls, which is located at 5000 Trumbull, Detroit, manufactures valves, controls and switches for refrigerating.
