

WESTWOOD—Among the 110 couples who danced and partied at the annual Beverly-Artesian dance were the association's Vice President Herman Drazick and his Mrs. (left), and President and Mrs. Tom Sullivan. The "Mardi Gras" celebration Saturday night got a boost from Mrs. John

Cairns, Jr., of 31055 Pierce, and a decorating committee which transformed Royal Oak's American Legion hall into a colorful Mardi Gras scene. Former art teacher Marvin Corisat, of 13255 Manoline, painted huge murals which covered the walls with Mardi Gras scenes.

'Old Faithful' Springs Leak, Trucknapping Saves the Day

BLOOMFIELD TOWNSHIP—There'll be a shiny, bright red, new fire truck sitting in Bloomfield Hills fire station No. 2 when a Michigan inspection bureau representative arrives Thursday to check the station.

Home Case, Bloomfield township treasurer, had the new fire truck snatched off an assembly line in Minneapolis just forty-eight hours earlier in order to have a fire engine that would run when the inspector arrived. It all began when the faithful old fire engine which, as Case puts it, "is old enough to vote" suddenly sprang a leak in its engine water pump, as everything was being readied for inspection.

BLOOMFIELD TOWNSHIP—A LOT depends on this inspection for the rating of the new station will determine the insurance rate for home owners in the northeast section of the township. This situation didn't look too desperate at first, Bloomfield station No. 1 could protect property owners—as it had done before the new station was completed, the fall while the fire engine was being repaired.
