**"I wish I'd had my new Gas Clothes Dryer years ago!"**

Mrs. Marguerite Johnson  
918 Grand Court  
Lansing, Michigan

"The family wash used to mean a full day of hard back-breaking for me. My Gas Dryer would have been a big help to me then. I'm glad women today don't have to put up with the old-fashioned way. I know I wouldn't want to give up my Gas Dryer."

Modern grandmothers like Mrs. Johnson know that the "good old days" are not all they're cracked up to be! Before Gas Dryers came along, washday meant a full day of hard work. Quite a difference from the easy turn of a dial on a modern Gas Dryer. If you're still struggling with the old-fashioned way, get a modern Gas Dryer.
