Judy Gotberg Wins DAR Citizen Award

Judy Gotberg, daughter of Mr. and Mrs. Harry Gotberg, 26385 Lathrup, has been chosen as the DAR good citizen for 1959. A senior, Judy was selected on the basis of dependability, service, leadership and patriotism.

Eligible to compete in the state good citizen contest, Judy will receive a pin and certificate. A \$100 savings bond is the prize to be given to the winner at the state conference luncheon of the DAR. Judy is a member of the Soroptimists, Cynettes, Student council and secretary of the senior class.

Those sad ballad writers could find some material right in Southfield high school. All the writer needed was a guitar to tell the hanging of Arnold (Garnecki) to a window shade cord. Deserted by his friends and classmates, Arnold was left hanging when the bell rang to change classes. No details were available to tell how he got that way, but when between-class time ran short, it became his instructor's job to untangle him from his predicament.

Southfield has nineteen students studying on the Hammond spinet organ instructed by Vincent Kochenderfer during their free hours. The \$3 dollar fee is helping to pay for the organ and purchase music.

Adults who are interested in learning to play the organ are invited to enroll in the Wednesday evening classes being held from 7 to 9:15 p.m.

Sandy Sivert and Carolyn Kraw, winners of a government class contest, visited the State Capitol in Lansing last week.

Following a tour of the Capitol building, the girls visited a session of the house, where they were introduced to members of the house by the Oakland county representative. They watched Senate activities and spoke with senators from various Michigan counties.

Only two more students are needed to make possible the Spanish student trip to Mexico. Arrangements for the trip are being

made by Miss Virginia Hammond. The tour will cover Cuernavaca, Taxco, Acapulco, the Shrine of Guadalupe, the Floating Gardens of Xochimilco, a bull fight, museums, the Palace of Chapultepec, market places and many other popular sights. The trip will be made by plane during Easter vacation.

Teenagers, Police Promote Safe Driving Campaign

Michigan State police and Southfield law enforcement officials are cooperating with the St. Michael's Youth club in a campaign to promote and teach safe driving among club members.

Officers have lectured and shown films to the 125 member organization on the essentials necessary for safe operation of a motor vehicle, according to club president Ron Belardinelli, 25225 Mulberry drive.

MONTHLY programs by the State and Southfield police have been staged for the last two months in an effort to educate club members. Further instructions will be provided by a driving instructor, "if we can find one," said Belardinelli.

In an effort to impress parish members with the importance of safe driving, the high school teenagers have ordered a life-sized statue of St. Christopher (patron saint of travelers) and will erect it on church property at the corner of Code and 10 Mile roads. Dedication of the Shrine has tentatively been set for Easter.
