Refugee Finds Freedom, No Fatal Traffic But Searches for Work During 1958

By JULIE CANDLER Staff Writer

One good turn deserves another, and now it's a community's turn to help Victor Kovats.

The 28 sear-old Hungarish records the property of the Birming-han precreation ascerteam. A one-time member of Bungary's chimplon anature socceteam, Kovats brought the Birming-wins and one loss in its freshman year.

That was his good turn. Now the tables need turning. For Kovats has found freedom in America, but he ham't found work.

FOR MORE than a year the

Accidents Here

A report released by Police Chief Ralph W. Moxley shows that Bir-mingham posted one of the best traffic records in recent years. The city was one of three in the population game and the state of the popula-tion game and the state of the state of the population game and the state of the first population game and the state of the state of the first population game and the state of the state of the first population game and the state of the state of the first population game and the state of the

too closely" was present in 174 mingham drivers for their accidents last year, and "right of proved driving during the way" violations were present in year. He also compliments ITI accidents. These two violations court, traffic engineer, presencement of 56 per cent of the police for the work they have accidents investigated last year. Chief Mosiley commended Bir- juries.
