**Wing Lake Women Defeat Husbands in Hockey Game**

WING LAKE — Chairman for a cool day with the Forman's Drive Wing Lake Property Owner's association were Mr. and Mrs. Michael B. Scherba at a skating party on Wing Lake in front of the Scherba's lake-front home last Saturday.

Hottest contest of the day was a hockey game between the men and the women in which the ladies piled up at one end of the rink and the men close after them. This pile-up must have been a sneak huddle as the ladies emerged victorious.

Submarines, cider, coffee and doughnuts were enjoyed, following games in the Scherba rec room. Members and their mothers present were the Ben Stevens, Jack Hoffmans, Gordon Marshalls, James Holdens, N. H. Anderson, Earl Westons, Joseph Irwins, Fred Symes and Mrs. Robert McLean and children.

The Wing Lake members of the Sewing Club met yesterday at the home of Mrs. Frank Koles of Birmingham. Following lunch, a variety of sewing endeavors and chitchat ensued.

Mrs. Earl Weston was hostess Saturday to the third annual skating party at her lake-front home for the Drama Guild of Westmoreland Presbyterian church of Detroit.

The 47 guests found grilling hamburgers in the fireplace warming experience after their ice caps.

Meeting Saturday at the home of the Louis Weimars, Wing Lake couples enjoyed their monthly Round Robin dinner and Bridge club.

Gathering for the event were the Jim Dugans, Verne Sorces and Bill Eversons.

Mr. Richard Elliot, owner of Better Homes Interiors, and co-sponsor Mrs. James Dugan spent last week in Chicago attending the Decorator's Show and Furniture Mart.

Little time was spent in their room for reviewing the latest in furnishing trends entailed endless hours of walking through the many displays.

They felt the most spectacular event was a banquet at the Hotel Sherman for 800 guests highlighted by given Miller's hand, filet mignons, and baked Alaska.

The dessert was dramatically presented by several hundred waiters. They appeared in the completely darkened ballroom in white vests and gloves, carrying trays over their heads, they supported the iridescent colored domes and led in a march around the room by the maitre d'. All trays were lowered at once and dessert served.
