ORDINANCE NO. 542 OF THE CITY OF BIRMINGHAM, MICHIGAN

FIRE PREVENTION ORDINANCE

FIRE		ľ
Table of Contents		
CHAPTER 1-ADMINISTRATION	Section	
Short Title Bureaus Fire Prevention Bureaus stration and Enforcement Duties of Bureau Inspection of Bulldings Powers Service of Notice Time of Compliance Appeals Vacant Bulldings Fire Investigation Penalties Penalties Repealed Validity of Ordinance and Similar Conditions Effective Date of Ordinance Effective Date of Ordinance	100.00	1
Administration and Enforcement Duties of Bureau Inspection of Buildings	100.02 100.03 100.04	1
Powers Inspections Service of Notice	100.06 100.07 100.08	
Appeals Nuisance Vacant Buildings	100.09 100.10 100.11	- 1
Fire Investigation Penalties Ordinances Repealed	100.12 100.13 100.14	- 1
Effective Date of Ordinance	100.16	1
CHAPTER 2—LICENSES AND PERMITS		
Licenses Required Permits Required Permits Required Permits Pees Pees Bond Required Expiration of Licenses and Permits	200.03 200,04 200.05	
	200.06	
CHAPTER 3—DEFINITIONS CHAPTER 4—DIP TANKS, SPRAY PAINTING & SPRAY BO	ютнѕ	
Control of Hazards Construction and Installation of Tanks Hoods and Curtains Hoods and Curtains	400.03 400.04 400.05 400.06	
Dip Tank Drains Overflow Protection	400.07 400.08 400.09	
Flammable Liquids—Amounts Allowed Ventilation Hazards Construction and Installation of Tanks Hoods and Curtains Hoods and Curtains Hoods and Curtains Flammable Heat Actuaged Devices Dip Tank Drains Overs Hardening and Tempering Tanks Regulating Oil Temperature Fird Vent Overflow Flips and Drain Fire Protection Location of Process SPRAY BOOTHS	400.10 400.11 400.12	
Fire Vent Tank Location Overflow Pige and Drain	400.13 400.14 400.15	CI
Location of Process SPRAY BOOTHS	400.17	
Construction of Spray Booths Blower and Exhaust Systems Containers and Amount of Storage Protection Maintenance	400.51 400.52 400.53	
Containers and Amount of Storage Protection Maintenance	400.55 400.56	
CHAPTER 5-FLAMMABLE LIQUIDS	500.01	
Scope Classification of Flammable Liquids Manufactured Liquid Commodities Included The of Flammable Liquid Installations	500.01 500.02 500.03 500.04	
Hazardous Heating and Lighting and/or Cleaning or Dyeing Appliances may be Prohibited Class I and II Liquids Prohibited—Public Assembly	500.05 500.06	
Storage of Class I and II Liquids Near Exits, Etc. Two Exits Required in Stores and Jobber Plants Special Storage Rooms or Buildings	500.07 500.08 500.09	
Scope Classification of Flammable Liquids Manufactured Liquids Commodifies Included Manufactured Liquid Commodifies Included Manufactured Liquid Commodifies Included Design of Property of the Commodifies of the Commodifies Dyeing Appliances may be Prohibited—Public Assembly Class I and II Liquids Prohibited—Public Assembly Special Storage Rooms or Buildings Storage of Class I, II and III Liquids in Frame and Special Storage Rooms or Buildings Storage of Class I, II and III Liquids in Frame and Containers for Transfer of Liquids Extinguishers Required Drugus and Barrels—Storage Lighting Shall be by Electricity Storage Must be Outside Building Underground Storage Limited Opening and Vents in Above Ground Tanks Opening and Vents in Above Ground Tanks Above Ground Tanks Labeled Material of Underground Tanks Foundation: Dikes Valves in Drawing-off Pipes Valves near Tank in Buildings Venting of Tanks—Class I, II or III Liquids Valves in Drawing-off Pipes Valves near Tank if Above Ground Requirements for Piping Leaking Pipes Filling Pipe Planmable Liquids Pumps Required No Gravity Feed Permitted Exceptions to Sections 500.05, 500.16, 500.35 and 500.36 Class I and III Liquids in Glass Containers Storage of Class I, II and III Liquids in Dwellings: Jordalbo Containers Storage of Class I, II and III Liquids in Dwellings: Jordalbo Containers Storage of Class I, II and III Liquids in Dwellings: Jordalbo Containers Storage of Class I, II and III Liquids in Dwellings: Jordalbo Containers Storage of Class I, II and III Liquids in Dwellings: Jordalbo Containers Storage of Class I, II and III Liquids in Dwellings: Jordalbo Containers Abandoned Storage Tanks	500.10 500.11 500.12	
Drums and Barrels—Storage Smöking Prohibited Lighting Shall be by Electricity	500.13 500.14 500.15	
Storage Must be Outside Building Underground Storage Limited Capacity and Location of Above Ground Tanks Capacity and Location of Above Ground Tanks	500.16 500.17 500.18	c
Above Ground Tanks Labeled Material of Underground Tanks Material of Above Ground Tanks	500.20 500.21 500.22	
Construction of Tanks Foundation: Dikes Stationary Tanks in Buildings	. 500.23 . 500.24 . 500.25	
No Connections to Drains Venting of Tanks—Class I, II or III Liquids Valves in Drawing-off Pipes Valves near Tank if Above Ground	500.27 500.28 500.29	c
Pumps Requirements for Piping Leaking Pipes	500.30 500.31 500.32	
Filling Pipe Deliveries of Flammable Liquids Pumps Required Possible Possib	. 500.33 . 500.34 . 500.35	ŀ
No Gravity reed Fermitted Exceptions to Sections 500.06, 500.16, 500.35 and 500.36 Containers Painted Distinctive Colors Class I and II Liquids in Glass Containers	500.38 500.38 500.39	
Storage of Class I, II and III Liquids in Dwellings: aPortable Containers Flammable Liquids Inside Retail Stations Curb Pumps and Station Buildings Abandoned Storage Tanks Approval of Equipment Handling Flammable Liquids	500.40 500.41	
Curi Funns and Station Buildings Abandoned Storage Tank and dling Planmable Liquids Flanmable Liquid Storage—Location Restrictions Separate Fipe Lines—Different Classes Flanmable Liquids Bulk Plants—Application to all Bulk Handling of Flanmable Liquids Flanmable Flanmable Flanmable Flanmable Flanmable Flanmable Flanm	. 500.42 . 500.43 . 500.44 . 500.45	C
Separate Pipe Lines—Different Classes of Flammable Liquids Bulk Plants—Application to all Bulk Handling of	500.46	
Flammable Liquids Pump House Warehouse	. 500.47 . 500.48 . 500.49	
Garage Heating of Bulk Plant Tank Truck Unloading and Loading Equipment and Operations	500.51	
lank frück Unosaung and Losaing Equipment and Tank Car Unloading Operations Storage of Barrels and Drums Warning Signs Fire Protection of Bulk Plants Storage of Class I Liquids	. 500.53 . 500.54 . 500.55	-
Ventilation Storage of Class I Liquids	. 500.57 . 500.58	
CHAPTER 6—DRY CLEANING AND DRY DYEING	600.01	
License and permits Classes of Installation	600.02	
Class I Dry Cleaning Building Dry Cleaning in Buildings with Other Occupancies Walls and Windows	. 600.03	
Walls and Windows Floors Roof and Doorways Rooms for Incidental Operations
