## BUSINESS BRIEFS

### Country Carousel Food Store Opens Doors Today

The grand opening of the Country Carousel Food Shop, 1360 S. Woodward, Birmingham, is being held beginning today.

In addition to the regular restaurant that will specialize in American, Italian and French foods, there also will be a gourmet counter of food specialties and a bakery.

ITEMS PREPARED in the kitchen of the restaurant will be offered in the frozen foods department and a pastry chef will keep the "home-made" label on the baked goods.

Owned and operated by Mrs. Constance DeCary, 16485 Lincoln, Lathrup village, the Carousel features a circus-like atmosphere

with the fine food. Breakfast, lunch and dinner will be served to the customers along with the food specialties.

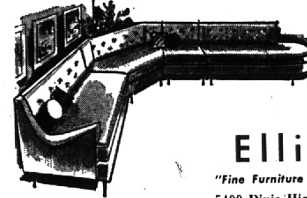

Sealtest Foods will have several displays of its products and will offer hand-packed ice cream among the many items.

THE RESTAURANT has been completely remodeled. Plans for the new business was first started by Mrs. DeCary's husband several years ago, but it wasn't until last January that plans for the current restaurant were formulated.

**Y**our thumb is getting greener.

(Yours and 3,502 others, that is!)

We keep tabs on you here at the Detroit Times. Exactly 3,502 of you wrote us for Gardening Leaflets the first week of this year!

We liked that.

We like to see things grow.

And just in case you think we're trying to "sell" you something, don't be silly. (Our Garden Editor would be incensed. Because she knows the leaflets are offered as a public service ... and that you want them.)

Point is—

You respond. We like to think it is because we offer what you want.

Thanks. What's for this year? Roses? Wild flowers? Hedges? Ask us—and we'll find out.
