Woman Golfer Aces 13th At North Hills

North Hills country club finally knuckled under to a woman golfer last Friday when, for the first time in over 30 years, a "sweet swinger" aced the 13th hole.
Mrs. Marilyn Dunn, 6588 Worthington, Birmingham, was the player who accomplished the feat with a five wood.

THE PERFECT shot on the 134-yard hole gave her a 42 for the difficult back nine at North Hills. She was playing with Mrs. Tess Boruta of 991 McHegan, both members of the Birmingham Newsweekers Friday golf league at North Hills.

Mrs. Dunn has been playing golf for five years and also has turned in good performances in the Women's Michigan Golf Association competitions.

Indian Guides Leave For North Country

There was much excitement in the air as the braves and little braves of the Navajo Tribe of Indian Guides packed their gear and left in a caravan for the north country Saturday morning.
The group met at Grayling before going on to the Marc Hagerman cabin on the banks of the Au Sable River to spend an eventful weekend. A cookout and songfest followed a jeep ride through the countryside for the six and seven year olds.
The little braves crawled out of their pup tents on Sunday morning to find the duds rustling up pancakes, eggs and bacon for the hungry tribesmen. Among the many highlights of the trip were the canoe trips down the Au Sable, nature hikes and swimming. The Navajo Tribe, all of the North Adams area, included their chief and his son, Clyde and Jim Morgan, braves and little braves, John and Tripper Gilbert, Marc and Doug Hagerman, James and John Horbat, Tom and Greg Riching, Alan and John Yates and Robert, John and Jim Sinclair.

Chuck Morse of Bolingbroke drive and friends, Chris Wyland, Paul Black, Bill Steele of Birmingham, were among a group of Catrol Basic of the Civil Air Patrol who boarded the bus at the Field air base for memorable two weeks.
The landed and made their headquarters at the Clinton County Air Force Base at Wilmington, N. Y. Mrs. Chapman is the Eckfeld's daughter.
