**BLOOMFIELD TOWNSHIP**—Turn loose a bunch of boys for the summer and by the end of July there isn't much they haven't tried in the way of summer fun, good or bad, including the strumming of an occasional tune on mother's shatterered nerves.

They play ball, argue, swim, fight, ride bikes, build things, break things, eat all day and get dirty at dawn and stay that way 'til dusk. All this makes such an interesting summer for mother. Especially when you add to it all the tps and near tps of backyard campouts.
