PLENTY OF PARKING IN BIRMINGHAM

The Town of Friendly Shops

No Parking Problems

Parking may be a problem in other communities, but not in our town. In Birmingham, even on Saturdays and during busy rush hours, it's easy to find a place to park in close proximity to your destination. As a matter of fact, you seldom need to walk as far in Birmingham to shop as you do in a "shopping center".

It is interesting to note that there are 5 metered off-street municipal parking lots in Birmingham, with over 179,000 square feet of parking space. In downtown Birmingham we have over 2000 parking places, 1000 that are free. This insures plenty of parking for everyone.

Our business places located elsewhere in Birmingham also have ample facilities for easy, convenient parking, so don't worry about your car when you shop in Birmingham — the Town of Friendly Shops.
