Famous auto critic says, "Imperial is the finest car ever built in America"

Tom McCahill is the dean of auto testers. He knows more about the current crop of new models than any other individual.

Chrysler's torsion bar suspension is so far superior to anything else being made in this country that the contest isn't even close.

"The '59 Imperial has a new engine... that delivers more effective torque than any engine being made for passenger cars in the world."

ery from the spot checking the industry has been foisting on the public for years.

"In a few words, the '59 Imperial is the finest car ever built in America and I've been testing automobiles for a long time."
