At Scenic Stopover

Their three-week trip to Alaska took this group through Lake Louise in Western Canada. Here they pose on the Chateau Lake Louise terrace, with the lake and snow-covered Victoria glacier in the background. From left are Joseph Reid of Pleasant Ridge, Dave Scully of Walled Lake, Bill Ellis and Dave Johnston, both of Birmingham, Stan Peabody of Fenton, Ron-Cleveland of Farmington, and Robert Roberts of Pontiac. Standing is tour director Edward J. Kuhn, Hazel Park school teacher.

Relocate windows
With air-conditioning, you can
put windows where you want them
without worrying about cross ven-
tilation. You might want to open
up your rooms in one direction for
better light and view, then close
them off in another for greater
privacy or for convenient built-in
storage wall layout.

MANAGEMENT

Whatever your financial situation, you owe it to yourself to know about mutual funds. This knowledge will help you in planning your financial future.

An investment in a mutual fund is not a get-rich-quick scheme. It is a conservative plan, under professional management, by which people of moderate means can own a piece of American business.

Why not drop in to our Birmingham office and let us help you select the mutual fund best suited to help you gain your financial goal.
