Who sent 6000 kids fishing in the Belle Isle Lagoon?

You did, dear reader—as a subscriber to the Detroit Times.

And we want to thank you. Because that time's a-comin' once again.

Every year the Detroit Times stocks the lagoon with fish, fish, fish. And then issues an invitation to Detroit-at-large to send the children fishing.

You should be there!

Ever see an 8-year-old city-bred youngster hook his first-in-a-lifetime fish? Ever see a little girl's eyes light up as the fishing rod shows action?

We enjoy it. Almost as much as you—and your children.

Again—thanks for your support.

See you at the lagoon!
