Local Writer Publishes Article in Magazine

BLOOMFIELD TOWNSHIP SOUTH—"A Therapeutic Garden" is the title of an article by the author of the magazine "The Occupational Therapist" which is published monthly. The article is a study of the garden as a means of therapy for patients who are recovering from illness or injury.

The author, Mrs. Alice W. Burlingame, is a professional therapist who has been active in the development of the garden as a means of therapy for patients who are recovering from illness or injury.

The garden has been planned, built and is now open to the public. It is a beautiful and interesting place which should introduce new levels of strength and interest to the community.
