Lathrup Residents Complain About Traffic Conditions

LATHRUP — Dust, traffic and litter were the subjects of a letter to Lathrups' council Monday. Thirteen residents, harried by unpaved roads and rush-hour traffic evading the 12 Mile-Southfield light presented their problems and recommended possible solutions.

CITY ADMINISTRATOR Gerald Stone told council members that the paving of Roseland will begin in June or early July. Police Chief Tom Tellefson has been working on the traffic problem, and stores in the immediate neighborhood have been warned by Stone of the inherent danger in the careless handling of rubbish and salvage scrap.

THE RESIDENTS IN THEIR letter objected to traffic traveling north on Southfield which turns east on Roseland and San Rosa, then north on Lathrup boulevard to 12 Mile road, to evade a traffic light. They said this was not limited to rush hours, but continues after 9 p.m. evenings, and is unusually bad on weekends.

The residents claimed it was also a hazard to safety of their children and a threat to the value and security of their property.

They requested signs on the southeast corners of Roseland and San Rosa at Southfield prohibiting or limiting right turns during certain hours, or prohibiting through traffic.

THE LETTER WENT on to request better policing of Lathrup boulevard where, residents claim, motor scooters and teenage drivers are creating a drag strip. Ticketing was suggested for motor scooter drivers who are under age, riding double, riding on sidewalks, speeding, operating vehicles in an unsafe manner or creating a public nuisance and violating the noise abatement ordinance.

Stone will report to the council next Monday on progress being made.

Lathrup Plans To Tighten Up On Stray Dogs

LATHRUP—Beware!

If you are a Lathrup dog owner and if you allow your dog to run loose during the early evening hours contrary to regulations, watch out for the dog catcher.

Lathrup city officials take a dim view of this disregard of the law, and steps may be taken to correct the situation.

WHEN PEOPLE FROM the city dump their unwanted dogs out of cars in Southfield and Lathrup, a situation similar to the St. Louis incident where the death of a child resulted, could happen here. Hungry packs of roving dogs can constitute a real danger to your child or your valuable house dog.

City Administrator Gerald Stone told council members Monday that enough money remains in the dog policing account to schedule a more strenuous program.

Lathrup Considers Third Policeman, New Court Clerk

LATHRUP—In a report to the council Monday, City Administrator Jerald Stone said that a third paid policeman for Lathrup would soon be hired. The city has run ads requesting applications and will soon start interviewing.

STONE ALSO requested and received approval of the appointment of a new court clerk, Mrs. Bernice Gruse.

A SUMMER newsletter, Stone said, will soon go out to Lathrup residents reporting important city news. Stone told council members that it is his intention to send two such newsletters each year, one in summer and one in winter.

The council approved a resolution presented by Stone setting June 22 for the second hearing on the 1959 paving program.

ON JUNE 15, the annual picnic will also be held at the Ziegelbaur home. This year a salad smorgasbord will be featured. Co-hostesses are Mrs. Louis R. Zielesch, Mrs. Paul E. Bergeron, Mrs. Walter L. Draper, Mrs. Henry Arlt, Mrs. Ralph Marson and Mrs. George Rothrock.
