Maple '9' Shares EML Championship

Birmingham high school will receive a trophy for sharing the Eastern Michigan League baseball championship this year. Birmingham, East Detroit, Ferndale, and R. O. Kinnell were tied for first place with 4-2 records.

Birmingham was eliminated from the EML playoffs by Mt. Clemens at Mt. Clemens last Wednesday.

In the second playoff game Birmingham lost to Mt. Clemens, 8-1. The only Maple run was scored in the third inning on singles by Bob Lovell, Carl Kalcayak and Ed Bunch.

Phil Russell collected two hits and Phil Isbell belted a long triple. The pitching staff consists mainly of Isbell and Van Geison, both will be back.

SECOND BASEMAN Rod Rudy was starting pitcher for the Maples and was relieved by Gary Van Geison in the third. Van Geison was impressive, mixing fast balls, curves, sliders and drop balls effectively.

Isbell won all six Maple victories and lost one of their four defeats. He struck out 46 in 47 innings, and his earned run average was a low 2.35. Isbell also hit with authority, batting .482 and nine of his 13 hits were for extra bases.

He took over shared team leadership in late doubles, triples, home runs, RBI's and total bases.

JAY MADONNY and George Forrest also hit consistently, batting .408 and .333 respectively. Graduating this year are Rudy, Russell, Lovell, George Didier,

SIDELINES

(Continued from 8-E)

For example: The Yankees, who are currently ripping apart the American League, are pushing towards the top again after a shaky start.

This little tidbit of information was gathered from Hopwood's new show, but from the box scores in the daily newspapers.

One thing that was garnered from the radio show, however, was items from Rizzuto and Allen.

THE YANKEES were not down in the dumps as was reported previously, according to the two who should know.

They were in a slump and just kept on playing until they worked themselves out of it.

Such is the power of the Yankees. But there are many other interesting sports personalities that appear on Hopwood's show that are worth listening to once in a while.

HOPWOOD's background in the sports world is an impressive one and it would accomplish little to list it now.

At any rate, he has the show and it does offer some interesting interviews.

If you should be up at that hour, tune in CKLW and perhaps you might get one of those "inside" bits of information.

Area Man Captains Aquarama

BERKSHIRES — When the luxury liner, S. S. Aquarama, returns to Detroit June 16, she will be commanded by Capt. Morgan L. Howell, whose varied and colorful career has taken him around the world many times at the helm of a myriad of vessels.

Locally, Howell is one of the few seagoing men to own a master's certificate authorizing him to captain practically any vessel in any ocean or inland waterway.

THE CAPTAIN'S adventure-studded career has taken him from the Atlantic to the Pacific Ocean, the Caribbean Sea, the Gulf of Mexico and all the Great Lakes.

As well as captaining other companies' vessels, Howell has owned and operated his own ships from tug to tankers. Internationally, he has either commanded or served as executive officer aboard North and South American passenger vessels.

Locally, he has served aboard the "Put-In-Bay" and "D" and "C" fleets. He also has served as the captain for the "Bob-Lo Line."

EXACTLY at home in New York Harbor, the ocean of the world, the St. Lawrence and Mississippi Rivers as well as the Great Lakes, he has acquired a worldwide reputation as a specialist in delivering new ships from builders to owners when intricate routes make for top-notch skippering and navigation.

Although many of his assignments have taken him to the four corners of the globe, much of Howell's experience was gained right in the Great Lakes.

His reputation as an authority of these unpredictable waters put him much in demand during World War II for the job of sailing lend-lease ships through the lakes for delivery to our allies.

The Aquarama is the largest, fastest, most luxurious liner ever to sail the Great Lakes. The all-steel, nine deck vessel will begin its pre-season cruises on June 16.

Regularly scheduled trips between Detroit and Cleveland will begin June 25 and continue through Labor Day, Sept. 7.

Howell resides at 540 Wadsworth Lane, Berkshires with his wife, Grace.
