Showcase Plans Expansion

Showcase, Inc., 135 Brownell, Birmingham, has expanded its capital structure to accommodate future expansion plans of its present facilities. The first building opened only a year ago last May.

ACCORDING to an announcement by the newly elected president, Mildred Puddington, Smith-Schop & Company, Detroit realtors, has purchased a major interest in Showcase, and Karl H. Smith of Smith-Schop becomes chairman of the board.

Other officers are Donald J. Waretzky, of Smith-Schop, who becomes executive vice-president; George Puddington, vice-president; John A. Gilroy, Jr., of the law firm of Miller, Canfield, Paddock & Stone, secretary; and Edwin M. Douglas, treasurer. The officers, with Saul Linsner of New York, constitute the board of directors. Mr. Puddington said that the

Showcase exhibits in the building now number more than 100 products, and that so far not a single exhibitor has failed to renew his contract for continuance of his exhibit space.

"As a result," Mrs. Puddington declared, "we are facing the ne-products and home and office furniture, and the Detroit association of Life Insurance. Expansion plans are being studied."

Haroutune Berberian, 28415 Streamwood, Southfield township, sales representative for the Prudential Insurance company, has been admitted into membership in the Northern Star club. The club is composed of leading sales representatives in Prudential's seven-state north central home office territory.

Berberian is a special agent with Prudential's William A. Gierber & associates agency, Detroit. Membership in the Northern Star club is based on outstanding sales and service achievements during the past year.

The Michigan Water Resources Commission estimates it takes half a pint of water to make a sheet of typing paper. Michigan, it adds, has plenty of water in its 1,057 inland lakes and 36,550 miles of streams. And Michigan borders four of the five Great Lakes.

STATE OF MICHIGAN — The Probate Court for the County of Oakland. In the Matter of the Estate of ALICE M. COBURN, Deceased. At a session of said court, held at the Probate Court in the City of Pontiac, on the 12th day of May A.D. 1959.

Present, Honorable Arthur E. Moore, Judge of Probate. Order Appointing Time for Hearing. Notice is hereby given and it is hereby ordered that the time and place for hearing on claims against the above estate shall be the 1st day of August 1959, at nine o'clock in the forenoon at the Probate Court in the Court House at the City of Pontiac, Michigan.

BUSINESS BRIEFS

Charles F. Adams, 6139 Dakota Circle, Birmingham, executive vice-president of MacManus, John & Adams, Inc., has accepted appointment to the American Association of Advertising Agencies' committee of the board on the improvement of advertising content. The committee has two aims: (1) to reduce the small but persistent amount of objectionable advertising which skirts the edge of the law just out of reach of regulatory bodies, but which nevertheless is responsible for public criticism of advertising generally, and (2) to encourage and stimulate sound advertising content by arranging programs and inspirational talks on creative topics to national and regional AAAA meetings.

Berberian Joins Top Sales Club

Haroutune Berberian, 28415 Streamwood, Southfield township, sales representative for the Prudential Insurance company, has been admitted into membership in the Northern Star club. The club is composed of leading sales representatives in Prudential's seven-state north central home office territory.

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently—do the laundry, wash dishes, schedule showers when you want to.

Here's the convenient, modern way to GET IT HOT... GET A LOT for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

- Efficient—the heat goes into the water
- Install anywhere—need not be near a chimney
- Long life—meet Edison's rigid standards
- Automatic—all the time
- Fast—new, more efficient heating units
- Outer shell—cool to the touch all over
- Edison maintains electrical parts without charge
- Safe—clean—quiet—modern
