## Fair at Walnut Lake Is Community Project

WALNUT LAKE—Come rain or shine, there's one thing certain about the Walnut Lake School Fair this coming Saturday: it will be a community affair.

More than 150 people will serve in various capacities in the annual fund-raising drive for the Parent-Teachers Association. They will act in capacities ranging from lifting children onto ponies to driving old-time automobiles. Others have been using this week for baking, sewing and organizing.

HEADING THE COMMITTEE are Dale Brubaker and Harold Tyler Perkins. They have lined up such people as Mrs. Walter McGowan who heads up the dinner committee. Both women have done remarkable jobs and have promised unusual attractions.

The Country Store, for example, will sell a multitude of unusual items made by parents running the gamut from puppets to doll beds. The kindergarten room will be decorated in old country store tradition for the event.

Dinner arrangements feature an "Around the World" motif. Waitresses will be dressed in the costumes of many countries while serving such unusual foods as Old English roast beef, Italian spaghetti, French salad and bread, Hawaiian fruit salad, Danish pastries and Brazilian coffee.

BUT THE IMPORTANT PART of the whole affair will be the many attractions for the children. Harvey Shoenor has planned the rides and March Pigeon games. Featured will be the games displayed by Walnut Lake Scout 41 Cub Scouts at the recent Scout-O-Rama.

Also on the committee are Charles Carey in charge of food, Hector Simms who heads up purchasing, Neal Schermerhorn who has the door prizes and ticket arrangements, Bob Lund for decorations, and Art Brooks who has the publicity assignment.

The fair will begin at 1 p.m. on Saturday, June 6. Dinner will be served at 5 p.m.

Mrs. John Greenshields, Craig's mother, will assist Mrs. Lukon with the dinner and dance which will follow.

Mr. and Mrs. Harry White of W. Dartmoor road announce the birth of their second son, Ralph Shelly, on May 17 at New Grace Hospital.
