# **Biology Classes Tour** Henry Ford Hospital

1489 S. WOODWARD

How does a single bacteria look when observed through an electron microscope magnified 20,000 times? Southfield's two advanced biology classes know, they viewed the little monster while on a tour of Henry Ford Hospital last week.

A French student guide led the group through the clinic where hey visited pathology, bacteriol-oxy and hematology detection where they visited pathology, bacteriol-oxy and hematology detection where the students are given lectures on the internal organs by Dr. James Fryfogle. A few of the students have been attending lectures at the U. of M.

Barons Take District Crown

Watta week!! Our poor downtrodden Barons, victorious only once in league play, are the district champions! Last Wednesday they defeated West Bloomfield by one point, 49, 8, and BHIS was really happy, On Friday, after a struggle, Clarenceville bowed to the Barons, too, and everyone was implicated by the Barons. It looked bad for quite awhile, ing a bell or blowing a horn as the but then, slowly but surely, the cheerleaders raced out and construction of the struggle, the struggle of the but then, slowly but surely, the cheerleaders raced out and construction of the struggle of the but then, slowly but surely, the cheerleaders raced out and construction of the struggle of the but then, slowly but surely, the cheerleaders raced out and construction of the struggle of the but then, slowly but surely, the cheerleaders raced out and construction of the struggle of the but then, slowly but surely, the cheerleaders raced out and construction of the struggle of the but then, slowly but surely, the cheerleaders raced out and construction of the struggle of the but then, slowly but surely, the cheerleaders raced out and construction of the struggle of the but they are the struggle of the struggle of the but then slowly but surely. Total, the coach.
