CHARGA-LOAN

Member Federal Deposit Insurance Corporation

55 convenient offices

CHARGA-LOAN IS A NEW KIND OF CONTINUOUS PERSONAL CREDIT THAT LETS YOU CHARGE MONEY AT DETROIT BANK & TRUST JUST LIKE YOU CHARGE CLOTHING, APPLIANCES AND OTHER PURCHASES AT MANY DEPARTMENT STORES!

Once your Charga-Loan is approved, it gives you these wonderful advantages:

- Provides quick cash in lump sums for taxes, medical bills, household expenses, emergencies, anything!
- Lets you borrow and re-borrow up to your credit limit simply by mailing us a deposit request.
- The money you request is deposited in a checking account for you. You may use it at any time just by writing checks against your account.
- Regardless of your outstanding balance, you pay a regular fixed monthly payment which you determine for yourself according to your ability to pay.
- As each monthly payment reduces your loan balance, the credit available to you increases.
- You are charged only one per cent a month on the unpaid balance of the actual amount of money borrowed.
- You get free insurance coverage that pays your loan in full in the event of death.
- You make only the first application. There is no waiting after that because your credit is always pre-approved.

HERE'S HOW CHARGA-LOAN WORKS

Determine the amount, from \$25 to \$200, which you can pay monthly on your Charga-Loan. Multiply this by 20 and you will have the maximum amount of continuous credit you may use. Each month you will repay an amount equal to 1/20 of your maximum credit regardless of the amount borrowed.

FOR EXAMPLE... If you decide you can pay \$50 a month, your maximum credit available would be \$1000. If you used the full \$1000 in the initial loan, then made 6 monthly payments of \$50, you would have an unpaid balance of \$750, plus the small interest charges. You could now borrow up to \$300 more by simply sending us a deposit request for that amount. Each month you will receive a monthly statement that shows interest charges, loan balance and credit available.
