# TO A MAN ON HIS WAY UP...

# The Prudential

INSURANCE COMPANY OF AMERICA

Dear Sir:

If you have a bright future ahead of you, you will welcome this good news about a remarkable new plan of insurance protection.

Designed especially for a man on his way up, this new life insurance plan provides the permanent protection you need -- at a premium rate based on your expected income growth.

We call it the Modified Life 5-10 Policy because you pay only about 50% of the ultimate premium during the first 5 years, about 75% for the next five years, and the full premium thereafter. Studies indicate that this rate of premium increase parallels the rate of salary increase for many young men.

PROTECTION FOR THE FULL AMOUNT NOW... FULL PREMIUM LATER, AS YOUR EARNINGS INCREASE. And what's more, at age 50 you can take advantage of a special conversion privilege to pay up your policy by retirement time. Isn't this exactly the right kind of insurance for "a man on his way up"?

Sincerely,  
*Your Prudential Agent*
