

Triangle Opens New McCobb Shop

Triangle Furniture Company will display the largest collection of Paul McCobb furniture in the Midwest, in their new Paul McCobb shop, 818 North Woodward, Royal Oak. Known as the Frank Lloyd Wright of furniture design, McCobb is a byword with young America, and his collection typifies the streamlined, functional way of life. It features low, clean lines, with brilliant color and fine wood craftsmanship its only ornament. The cabinet pieces, for the most part, are versatile. In 12,000 square feet of floor space, Triangle will show McCobb's "Planer," and "Linear" and upholstered groups, each one representing a step up the economic scale.
