Did you know that you can move your telephone service out-of-doors with you this summer? No more racing into the house, from that relaxed position on the patio, to answer a telephone that has just stopped ringing—or to not hear it ring at all.

Give us a call and let us tell you about our outdoor jacks with portable telephones, outdoor bells with cut-off keys and extension telephones in the garage.

It is going to be a hot summer—so let's relax.

HAVE YOU NOTICED that the vacation trips that seem the most carefree are actually the ones that have been most carefully planned? Take the coming Memorial Day week end. The people who will get the warmest welcomes at motels and restaurants, the people who will never have to stand in line, are those who have arranged things well ahead of time—by telephone. It's the inexpensive way of doing things well.

MOST OF US know the bride who sets up house with fifteen coffee pots—and half a dozen bathroom scales—all wedding gifts. But there are some things brides never have enough of. Extension phones in color are one of them. Give one of these and you'll be a friend of the family for life. For every time they use the handsome extension phone you gave them, they'll think of you gratefully for saving them time and steps. Call the Business Office, Michigan Bell Telephone Company, about this novel, useful gift that speaks for itself.

Pledges Stage 'Help Week' At U of M

ANN ARBOR—About 400 fraternity and sorority pledges at The University of Michigan staged their annual "Help Week" to prepare the U-M's Fresh Air Camp for the summer season.

During last week the students painted, raked the grounds, washed windows and picked up rubbish at the camp near Pickney. The camp, a unit of the Institute for Human Adjustment, provides a supervised camping experience for boys who would not otherwise have a camping opportunity because of economic limitation and behavior problems.

"Help Week" was instituted several years ago to replace the traditional "Hell Week," during which fraternity and sorority pledges were given unpleasant assignments to informally "initiate" them into the houses. All harsh types of hazing are now barred on the U-M campus.

LOCAL STUDENTS helping were Pat Henry of Bradway boulevard, treasurer of Junior Pan-

hellenic; daughter of Dr. and Mrs. Fred Henry.
Also Howard Willett, son of Mr. and Mrs. G. H. Willett of Pilgrim
