Dateline Derby

At it Again

One Season Bumps Other

By BRENDA DRUMM

Now that the football season is over, swimming and basketball are underway. Tryouts for Derby's future swim teams were held Monday. Also, basketball enthusiasts will meet on or about Nov. 30. Last year our swimming and basketball teams were undefeated under the guidance of coaches Keller and Gilster.

MR. KELLER and Mr. Gilster are expected to coach the ninth-grade basketball and swimming teams again this year. We are looking forward to a good season in both sports.

The girls' swimming team and water ballet have also been working hard, perfecting their strokes and stunts.

Yesterday, an interesting assembly was prepared for the enjoyment of students. The University of Michigan gymnastics team performed some stunts and straight work on the trampoline and mat.

THE DERBY open house was a tremendous success. The shop and homemaking departments received numerous compliments on their fine displays.

A dance is in the air, more news will be at a later date.

P.S. Don't forget yearbook sales close tomorrow.

THE BILLBOARD

BLOOMFIELD HILLS HIGH

By Mike Zwieg

Full Stomachs Mean Full Coffers Tonight

All the pancakes that you can possibly eat—tonight. Last minute preparations are complete for the pancake supper tonight at Bloomfield Hills High.

IN AN attempt to raise the needed \$1,000 to finance a foreign senior's studies at BHHS next year, the Student Council is holding the supper tonight from 6:30-7:30.

You get all the pancakes you can eat plus sausages, applesauce, coffee and milk. So, if you haven't gone out to eat in a while or if you are tired of cooking and cleaning up after supper for a hungry family, come over to the school this evening and help us bring a foreign student to Bloomfield Hills. The school is on West Long Lake just west of Telegraph.

Despite the bad weather Thursday night, 13 students and two teachers came to the first meeting of the Current Book club.

THE MEETING was held at the home of Mike Zwieg, and the discussion ran rather smoothly. The book under consideration was The Ugly American, an analysis of American diplomatic personnel in the Far East. Most of the major points were brought out in the discussion.

The teachers present were Mr. Richard Derick, official sponsor of the group, and Mr. Dean LaRue, just back from a year in Southeast Asia. Another meeting is slated in three weeks. The book to be discussed is Exodus, the story of modern Israel.

There: The general solemnity of the high school maiden unbroken until last Friday evening when Kappa chapter of Phi Sigma Tau presented a dance in the school cafeteria. The "Hag Dance" was the first Sadie Hawkins dance of the year, and turned out to be a success.

THE ONLY other happening of the week which lived up to the general proceedings was the "know which" fell on Thursday night. The year's first snowball fights were a wild success, an analysis of the student body, if not to their parents.

What ever happened to The Teddy Bears? Last November they had the number one record in the country with "To Know Him Is To Love Him."

One of the best albums for jazz fans, for jazz haters, or for people who wish to become interested in jazz is "Gone With The Wind," by Dave Brubeck and his Quartet.

The songs, which are definitely jazz, are given a light jazz touch. For instance, Paul Desmond on alto literally jumps through "Candyman Blues" and we hear an excellent drum solo by Joe Morello on "Shortin' Bread."

Marian high school's section one held its first debate Nov. 10 in speech class. The debate subject was that the federal government should make more laws regulating labor unions. On the pro side were Kay Mack, Sue Diehl and Carol Dole. On the con side consisted of Mary Jo Damon and Carol Dodge, the third member was absent.

Holy Name

'Tough,' Says Fate, as They Get Downed

By JUDY GOODE

The cold heart of fate had it jinxed all the way! Last Thursday Holy Name had its last tussle with fate for the season.

NEEDLESS to say fate won as usual. St. Mary's of Mt. Clemens won 28-7. This heavier team had it all the way along, even with Holy Name's one touchdown.

This game was the last and it left Holy Name with two wins and five losses. Even with this rating the whole school knows the team did its best, which apparently wasn't enough.

"Season comes to a close, we would like to sincerely thank our two squads of cheerleaders. The eighth-graders did a fine job of keeping up spirits in even the most disheartening games. In some of our away games these cheerleaders seemed to be the only ones who had found time to attend, even if their homework might suffer.

IN ANOTHER act of gratitude we would like to name all the eighth grade girls on these squads. They are: Squad one, captain, Nancy Picman; Vicki Matousek, Gretchen Keefe, Gretchen Schott-dorf, Judy Goode, Judy Heinen, Nancy Bronowsky, Mary Stuechli and Joanne Wallace. Squad two, captain, Suzanne Tighe, Peggy Birney, Val Bostwick, Joan Herrigton, Maureen Anderson, Patty Cutting, Patty Kelly and Kathy Sullivan.

THE SEVENTH-grade included Ronald Ayers, Richard Bird, Jane Bundy, Kathryn Buegum, Timothy Carlin, Linda Collins, Barbara Cooke, Douglas Dickson, Richard D'wney, Anne Faulke, Doris D'wherty.

Lynn Gowing, William Green, Kenneth Griffith, Jon Gruber, Robert Grund, Janet Hana, Donna Hartley, Peter Hendrixson, Carol Hoffmeyer, Janet Harner, John Huffaker.

Randi Johnson, Nancy Jolly, Harry Kenison, Diane King, Kate Kirtz, Christine Kyker, Thomas Lawton, Robert Lyndse, David Marr, Jerry McConnell, Cheryl Moacham.

THE BARNUM HONOR ROLL for first marking period included first names of pupils who have received "A's," "B's" and "S's," in achievement and "P's" and "S's" in co-operation and effort.

SWIM CLUB members, better known as "Catalinas" and practicing the elementary stunts of synchronized swimming, as well as several new strokes.

The club, consisting of fifty girls from seventh, eighth, and ninth grades will learn and perfect their graceful maneuvers before beginning work on the spring swim meet.

B-Hi, the girls' athletic association at Barnum, is in full swing now with its two major activities, tumbling and swimming.

Tumbling takes place Wednesday after school until 4:30. "Walk-overs" and "front-overs" are being attempted by those who are serious.

Off the Record
I thought it might be interesting to look over the top ten list of a year ago.

The number ten record was "It's So Easy" by Buddy Holly who has since perished in an airplane accident. Clyde McPhatter held down number nine with "I Love a Question." He's still an important name in rhythm and blues circles.

On its way down last November was the number eight tune in Birmingham, "It's Only Make Believe" by Conway Twitty. Much to my surprise, Conway is still with us, his latest hit through "Danny Boy." Needless to say, Ricky Nelson, who's "Lonesome Town" was
