**She Tells the Distaff Side of the Story**

New contributor to Southfield news this week is Claudia Stafford who will give us a "girl's eye view" of events around school. Instructor Richard Welkenbach, bull whip on his blackboard and who made a national news magazine wrote inside its circle, "I'm in a zine last year when he hung a bad mood today," and then won

a box of apples this year for Teacher of the Week, received this week asking him to do something so that it could be written up. TWINS MAY have similar likes and dislikes, but Barb and Bonnie Leitz proved that cooperation often pays off too. Recently the twins had to dissect an earthworm in their biology class. Barb performed the surgery, but Bonnie, who was scottish about the whole thing, filled out the lab manual. Southfield Principal Robert Hall asks anyone who saw him leave

the high school a few weeks ago in handcuffs to create the entire picture from his mind—it was all part of student government day. "Not guilty," said Principal Hall to the rigged charges when arrested by Norm Jones who took over Southfield's Police Chief Sackett for the day. HOWARD HODGESON acted as judge for the arraignment. Monte Deemel was the prosecuting attorney and Assistant Superintendent Glenn Levey was in charge of Hall's defense. Hall was found guilty.

**How's this for Extracurricular Class Activities?**

By BRENDA DRUMM  
Bask in the French and Italian Riviera, see exciting Spain, quaint England and scenic Switzerland!

Derby's language teacher, Mrs. Pierce, is planning to chaperone a group of Derby students on a glorious tour of Europe. Last year Mrs. Pierce and several other teachers chaperoned a group touring Mexico. THE TOURING students, who will leave July 3 and return Aug. 20, will visit England, Germany, Spain, France, Austria, Italy, and Switzerland. It will be truly a wonderful, educational and worthwhile trip. All parents requesting further information may reach Mrs. Pierce by writing: Mrs. Jean Pierce, Derby Junior High, Birmingham. Speaking of trips, Miss Carter took her seventh grade block class to dinner at the Mexican Gardens, as part of their unit in social studies on Latin America. Thirty-six students ate tacos, tos tadas, and pan dulce and enjoyed every last bite. ONE OF Derby's up and coming clubs is the Art club. It consists of seventh, eighth and ninth grade students interested in art. Miss Switzer is the club's advisor. The Art club has an average of one field trip and one work night a month. The club plans to visit Cranbrook and the Art Institute as well as all the galleries and art shows which occur during the

**Wing Lakers Take 23 Looks at Nature**

Twenty-three members of the fourth grade class of Wing Lake school will meet at the Nature center of Kensington park near Millford at 10 a.m. on Monday Nov. 30. This group, supervised by Mrs. Bunker of Wing Lake school, will take a field trip to study plant and animal life along a "nature trail" of the park. The field trip will be conducted by Charles Damm, park naturalist.

Doug Neu hosted Key clubbers following a hay ride last week with cider and eight kinds of doughnuts. Instructors Russell Frid and George Schrandt chaperoned. Frid made a picture record of the trip and Schrandt was appointed Chief Hay Thrower. Students with overdue library books weren't quite sure how to take a notice posted by instructor James Mills last week. The notice told them to get the books back or weak work reports might be withheld. JUST TO prove that instructors will try anything to encourage their students, one teacher posted a "Good Guy" list recently. With a flourish, the teacher's name, like that of Abou Ben Adam, led all the rest. Next came Bob Nelden's name. Bob was doing a little apple polishing when he asked the instructor for a second viewing of some army pictures the instructor loves to show. **Scholarship Exam Date Set at Mercy**  
All 12th-grade girls in public, private or parochial schools have been invited to take the competitive examinations for scholarships to Mercy college at 8:45 a.m., Saturday, Dec. 19 in Room 315 at the college. Mercy is a liberal arts college for women, operated by the Sisters of Mercy, at the corner of W. Outer Drive and Southfield road. The scholarships offered may be applied to any field of study. Any girl interested in taking the examinations should obtain an application blank from:
