... this baron rises to a challenge. His lance points to the years the statue will be listed as a permanent feature of Bloomfield Hills high school events. The mounted knight at BHHS. It is now planned for use in future events at the school. The horse is made of papier-mache and chicken wire on a wooden frame. The baron is of soldered sheet metal. The baron is life-sized; the tip of his helmet is 17 feet from the ground. Students Bruce Geyman, Dick Tiede and Mike Zweig master-minded the creation of the creature from the Middle Ages.

## Celebrated Halloween—Teen-Style

By THE PRESS CLUB

The annual Halloween party at Barnum was Saturday, Oct. 31, 8 to 10:30 p.m. A disc-jockey, games and prizes were the main feature of the party. Refreshments and admission were free. This party was organized through student council.

The All-Star game between Barnum and Groves junior high schools was played Oct. 29, at Seaholm high school. Barnum's ninth grade kicked-off to Groves, and four plays later recovered a fumble.

BARNUM WENT to score in seven plays to take the lead 7-0. Just a few plays later Barnum intercepted a pass and scored again.

At the beginning of the second quarter Barnum scored again and took a fairly good lead, 21-0. Late in the quarter Groves scored finally, but failed to get the extra point.

The game ended with Barnum winning 21-6. The sixth-grade game was the closer and harder fought of the two, with Groves having the advantage in weight, but not in speed. Barnum put up a well-fought game ending in a 17-7 tie.

Swim Club tryouts were held Wednesday, Oct. 28, under the direction of Barnum's gym teacher, Mrs. Mary Horst.

THE GIRLS were judged on a ballet dive, ballet leg, their ability to scull, front and back crawl to music, and a surface dive.

Fifty girls are now "aqua-belles" for the school year '59-60. Thursday, Oct. 27, the annual installation assembly of the student council was held. Acting as master of ceremonies was Patsy Gordon, last year's president of the student council.

MR. WILLIAM Ludd told the officers-elect their duties and then Mr. R. K. Ford, principal, swore them in. The affair was highlighted by the presentation of the gavel to Bob Garter, presented by Patsy Gordon.

After the five officers, Hub Garter, president; John McCullough,

vice president, Ann Norton, secretary; Roger Ulrich, treasurer; and Jack McDonald, safety commissioner took their oaths and Bob gave the homeroom representatives theirs.

Mrs. Kathryn Loomis, president of the Board of Education gave an inspiring talk on "The Importance of Choosing Good Teachers."

Memo to motorists: Be especially watchful on Saturdays for bike riders. That's the day most bike accidents occur, according to the National Safety Council.

## Hard Sell, Soft Shell—Here They Do it Well

The two upper classes at Seaholm are planning their annual class projects for the school year. The sophomores have decided not to sell anything this year.

The seniors will sell tickets to the all-school variety show. This is the usual project of the senior class. The juniors will also do the usual—selling Sander's candy.

### Every 23 Seconds

A lot can happen in twenty-three seconds. Some people—'sightseers'—I call them—claim to have fallen in love in that short a time.

Practically all of us—when driving—have made some mighty important decisions in twenty-three seconds. Not always the right decisions, apparently, because there's a serious car accident somewhere in the United States every twenty-three seconds day and night.

Sometimes accidents just can't be avoided, but you can always be sure of dependable insurance protection by consulting an independent insurance agent. As an independent agent, I work for YOU. If you have an accident, I stand by you and help you collect the full, fair value of your claim. If you'd like to ask me any questions, I'll be glad to answer them right now. No charge or obligation. Just call—
