Cracking Down on Speakers at Marian
The student council at Marian high school has introduced a new proposition concerning study halls; that is, punishments. Demerits will be given to anyone who violates any of the study hall code.
A certain number of demerits will be given for talking, whispering, disturbing the monitor, in the study halls. The proposition was announced last week by the student council at the assembly.

'Betcha This'll Scare 'em'

Possibly one of the more unusual effects of this Halloween is the intent expression and intense work of Debbie Evans, 4860 Tullamore, Bloomfield township. A kindergarten at the City and Country school of Bloomfield Hills, Debbie and her classmates were busy making their own costumes—too busy and too young to engage in the usual pre-halloween mischief.

THE BILLBOARD

BLOOMFIELD HILLS HIGH
By Mike Zweig

Lull Follows Storm; Another Follows Lull

After last week's rather full schedule, things seemed quiet at BHHS. All the floats of homecoming were disassembled, except for the winning Senior float, which is being preserved and erected in the school.

The only really significant happening of the week was the issuance of report cards. The usual drum faces and talk of working harder graced the school during the latter part of the week, but the shock wears off and everything is dandy again at the beginning of the next week.

ON SATURDAY, Oct. 24, a preliminary scholastic aptitude test was administered to almost 100 students in the library of the school.

Besides being another warm-up for the college boards, many scholarships are based upon the results. Mr. Stuart, boy's advisor, hopes to have the results in by the first of the year.
Again on Friday the Barons football squad traveled to another school to play. Unfortunately BHHS was unable to muster an attack against West Bloomfield, and lost by the somewhat disappointing score of 26-0. It was the first shutout of the season for the Barons who hope to do better in their final game next week at Clarkston.

HERE AND there, two parties on the week end kept many people busy and happy. Howe Balmer had

27. They lost to Kingswood 6-0 with goals by Chris Myers, Cilla Snyder, and Kathy Wilson.
Athletic teams are not the only ones who have been busy during the last week. On Monday, Oct. 26, pictures were taken of the varsity student bodies and classes under the Woodwinds under the direction of editor Trish Kelley, Mary, Love Russell, Polly Oppenheimer, and Nancy Tamm.
A luncheon at the new Flint Golf club was given for the junior class by RoseMae Corbett, Saturday, Oct. 31. The bus left Kingswood at 11:30 a.m. and returned at 5:45 p.m.

The Light Touch by Jeanne Westerdale
FALSE START
I really didn't catch the name When introduced, and I'm to blame, Because, (with vanity alarming) I tried too hard to be too charming!

NOW HEAR YE!

1. IF you are an embryo or any other kind of flower arranger planning to exhibit in the Christmas Flower Show of the Birmingham Garden Club Division—
2. IF you are going to be brave enough to make your own arrangements (there's nothing to it) for Thanksgiving Day festivities and Fall decor—
3. IF you aim to make your own wreaths, centerpieces, wall swatches, etc. (dere's nuttin' to it) for Christmas—
4. IF you need help (and you most sointely do)—

Well, den READ DIS!
1. Angels of various materials and colors are available as you fly nebulously through our Patio.
2. You may, if you don't fly too fast, see artificial flowers that will fool you until you try to smell them (one of the other will fail, of course) and dried materials so exquisite that you will probably move your ranch home to the desert—where these things come from.
Along with this stuff are candles that obviously were made by people who live only for the production of candles for Fall and Thanksgiving Day. They like bees too because there are beeswax candles and some which seem to be made of the honeycomb itself. Unbelievable! (Until you taste them, that is).
3. What can we say about the stuff you make these trees and wreaths with? Nothing much. We have a few nuts & fruits but no greens. Come have a look anyway.
4. IF you need help. Ha, ha! you all are so accomplished this is a joke. However, for the 3 or 4 people in the area that don't know how, we are happy to tell you that—

MRS. FRANK (Anna Belle) WEBB will appear miraculously on our Patio
SATURDAY, NOVEMBER 21st.
SATURDAY, DECEMBER 5th
SATURDAY, DECEMBER 12th

(If, by this time, you haven't got it—forget it). Coffee and cookies will be served, as usual. There will be 3 brand new, efficient, quiet heaters near the Patio. The heaters are stronger for those of us who. We expect to have a good time-and pray that Mr. Ball will not have to show anyone how to tie a broad ribbon bow.
(We heard that he nearly strangled himself last year—and the ladies laughed uproariously at his dilemma).

RECESS
The only other thing we wish to mention is our new:—"Into The House... and Good-Bye Mouse" mouse trap. It is Pre-Baited, Pre-Set and DISPOSABLE. No one has to touch the mouse even once. The way we look at it the total cost is only 19¢-cents per mouse—BUT—it saves your wife \$10.00 worth of Edgar Allen Poe ANGUISH.
(Hope we have them by the time you read this).

REYNOLDS ALUMINUM WINDOWS • DUTCH BOY PAINTS

FOR THE games scheduled for Play Day the individual school teams are divided into forward lines and defenses.
Thus Kingswood forwards might play with GPUS defense against Liggett forwards and Sacred Heart defense. Although the sections play in this manner, each girl receives independent recognition.
Following lunch which will be in the dining room, the names of the eleven girls who have made the All-Detroit hockey team will be announced.
THE RESERVE team and the second team will also be announced. In past years Kingswood has had a good representation on these teams.
A pep rally will be held 7:30 to 8:30 Friday night for Play Day the following day. If the weather permits, it will be held outside.
The varsity had two hockey games scheduled last week. The first was with Grosse Pointe convent Friday afternoon, on their fields.
KINGSWOOD WON 6-2. The first goal of the game was made by Chris Norvell, followed by another by Joan Akers and two goals from both Mary Love Russell and Joan McDonald.
The second game was with Grosse Pointe university school. It had been postponed from a previous date. It was played Wednesday afternoon at GPUS.
Bloomfield Hills sophomores were the opponents of the Kingswood junior varsity Tuesday, Oct.
