Parolee Killed Resisting Arrest

TROY—A 21-year-old parolee from Troy was shot and killed Friday resisting arrest when he was surprised burglarizing a beauty shop.

Donald R. Worthington, formerly of 1054 Woodslee, was dead on arrival at the Highland Park general hospital. Paroled from a grand larceny sentence, Worthington lived with his brother Jack, 24, at the Woodslee address, but moved a few weeks ago to a rooming house at 622 North Main, Royal Oak.

Will Shared By Local Architect

A $1,500,000 estate was left to a Birmingham architect and his son by the architect's 81-year-old sister who died last week in Uniontown, Pa.

Wallace J. Frost, who has offices at 277 Bates, and his son, Jon, who operates a ranch in Colorado, were notified of the will after it was probated Monday.

JON FROST, who visited his parents last week, and his father said they would leave the estate as it was now. Most of it is invested in parcels of property.

Wallace Frost is an architect who specializes in country homes in the Birmingham area.

The sister was Mrs. Laura Frost Sturgeon, whose husband, Daniel Sturgeon, was a well known Uniontown attorney. He died in 1925.

NOTICE TO PROPERTY OWNERS
MUNICIPAL PARKING LOT NO. 6

The City Commission of the City of Birmingham will meet Monday, November 2, 1959, at 8:00 p.m. in the Commission Room in the Municipal Building to consider any objections to the construction of certain improvements at the rear of the Reid Building, and to the creation of a special assessment district, created to defray the cost of acquisition of Lots 20, 21 and 22, of Assessor's Plat No. 29; part of Lots 9 to 19, inclusive, of said Plat, a portion of that part of Park Street located between Woodward Avenue and the Rouge River; that portion of Island View Drive extending from Park Street northerly a point approximately opposite the mid point of Lot 9 of said Assessor's Plat No. 29; a portion of the so-called Drive-Way lying west of and adjacent to Lot 92 of said Assessor's Plat No. 29, and that portion of the so-called "Channel Right-of-Way" of said Plat, extending from Park Street north to a point approximately opposite the mid point of Lot No. 9 of said Plat, and the development of these lots and various parcels for utilization as a parking lot. The development is to consist of drainage, paving and such other appurtenances as are necessary to provide a complete and convenient parking area.

The Commission proposes to create a special assessment district to defray the cost of this construction and said special assessment district shall consist of the following described property:
