

Good manners in youngsters is a mark of correct parental concern and guidance—and all through the life of such an one this pleasing characteristic will "pay off." Indeed, the possession and use of good manners is as valuable in human interrelationships, as mathematical law is to the scientific world. Wise, then, is the parent who teaches his offspring good manners.

SPEAKING OF BEAUTY

donnell says:

Who Are You? . . . does it tell the world what kind of person you really are? Or does it whisper, "I'm a little careless. Or a bit old-fashioned . . . and just too bored to care?" Even if you like a style that can change at the stroke of a hairbrush, the basic shape of your coiffure can say proudly, "I'm a smart, self-possessed career woman. Or a neat, sweet, self-giving nurse. Or an intelligent, competent teacher. Or a lovely, well-rounded person — wife, mother, civic helper. We'll Tell the World. . . .

In Waves! Now—before you feel one day older—let us style a coiffure that fairly shouts pretty compliments about you! Talk things over with us (let your dreams show, just a little). Then, with skilled fingers, one of our hairdressers will create a style to tell your story. A young style . . . infinitely flattering!

"Permanently" Yours— This "Right" Look To keep the lines of your new hairstyle just as pretty as the moment you leave our salon, we recommend a salon permanent wave. Soft, natural as

though you'd had lovely waves in your hair since birth. Be "Somebody Else" If You Like! This is another bit of salon magic. Your hair will say things it never dared to say before . . . if it's a brand new color! Suddenly the mousey, discouraged woman is gone. (She's a sparkling blonde!) Or the graying lady is a vibrant redhead. It's a well-established truth of our profession: the very color of our hair determines a great deal of your personality through the confidence it gives you! Let us prove it to you. You can be what you want to be. That's the beauty of beauty salon magic! . . .

For further beauty advice call . . . Donnell Hair Stylists, Miracle Mile Shopping Center, S. Telegraph at Square Lake Rd. Hours: 10 to 9 p.m. daily. FE 8-8338, with or without appointment.
