SENIOR MEN'S CLUB

The Senior Men were entertained at their regular meeting last Friday, in the ranch room of the Community house by the son of one of their members, William TenEyck. A fine movie showing scenes of the origin of the New York Stock Exchange and its present day operation, was shown after which there was a question and answer period. Tuesday, October 5, was the day for the club's monthly visit to the Oakland county hospital where they entertain some 50 patients most of whom are confined to wheelchairs. The program included Grinnell Brothers' Kenneth Coppock on the Hammond organ. Coppock also played a number of "Old Time" pieces for group singing. Felton Watkins played square dance music on his dulcimer and on his violin. Herbert Flemington joined in with his harmonica and the

dances were performed by John Maloney with the help of the hospital attendants. The club's entertainment feature for next Friday, October 16, will be a talk on a trip to Hawaii by member Harry Reed, which will be illustrated by slides of his own making. The topic for the club's discussion group will be "Space Flight—Should it be expanded?"
